Imagine me!
giving myself a permanent!

YOU CAN DO IT, TOO, IN 2 TO 3 HOURS AT HOME!

• Everyone's surprised! Everyone's delighted! And everyone's talking about the lovely, lasting waves and softly curling ringlets you get with a Toni home permanent. It's fun to do, and easy . . . and so inexpensive, too.

If you can roll up your hair on curlers, you can give yourself a successful Toni permanent—a wave that lasts *and lasts!*

You'll love the looks *and feel* of your Toni wave! Hair is softer, lovely and easy to manage, for this is a *creme cold wave*—with a *creme* waving lotion that imparts luxurious beauty to the hair!

The Toni Wave Kit is *complete*, contains all the curlers, waving lotion and neutralizer you'll need for a glorious wave! Toni preparations are like those used in beauty salon-type permanents costing up to $15 and more, are laboratory-tested.

Give yourself a Toni Permanent . . . *today!* And if it isn't the loveliest permanent ever, Toni will refund the full price!

• *Wonderful* for children's hair. Give your daughter a Toni Wave, and you'll both be thrilled with the natural-looking waves and curls, the softness and beauty of her hair.
