District Meeting Of Voters' League Will Be Held Here

Jackson County League of Women Voters has accepted an invitation to hold a southern Oregon conference of the state league in Medford early in January, according to the president, Mrs. Justin Smith. Details will be announced later. It is planned to make the district meeting the first of a series of monthly members' meetings.

In the near future league members here will start work on their part of a state-wide study being conducted by Oregon league members on official youth services of the state. Material and facts gathered will be used as background for recommendations to the next legislature for new youth legislation.

BRITISH USE FIRM PALESTINE POWER

Butte Falls, Nov. 17—Mr. and British authorities followed up their bloody suppression of the Zionist riots at Tel Aviv today with a new military decree aimed at stamping out the smugling of illegal Jewish immigrants into Palestine.

A terse announcement said the government was invoking its emergency defense powers immediately to empower British troops and native village officials to arrest suspected illegal immigrants or search any place without warrant.

The announcement intimated that a nation-wide manhunt for the illegal entrants was about to begin, if it was not already under way.

Meanwhile, tension appeared to be easing off throughout the Holy Land.

Raider Carlson For U. S. Keeping Out of Politics

San Francisco, Nov. 16—(U.P.)—Col. Evans Carlson, leader of the famed "Carlson's Raiders," today advocated complete U. S. non-intervention in attempts of foreign peoples to achieve independence.

The 49-year-old marine commander, who arrived here from Los Angeles on a speaking tour, said World War II had made people everywhere "more articulate with regard to their aspirations to govern themselves."

Carlson, a veteran observer of China's internal affairs, declined to comment on U. S. aid to Chiang Kai-Shek's government in transporting Chinese troops into communist-held territory.

Still in uniform, Carlson said his discharge was "still in the mill."

AUSSIE WIVES TO AWAIT PRIORITY

San Francisco, Nov. 17—(U.P.)—"Thousands" of Australian war brides who have been waiting for passage to the United States will be affected by a change in priority regulations giving preference to the wives of men who have been in America longest, Melbourne radio said today.

The Australian broadcast recorded by United Press quoted U. S. Army Col. R. A. Jacobs as saying many wives who filed early applications to return to America would be dropped to the bottom of the priority list because of the change in regulations.

About 7,000 wives of American army men who served in the Pacific still are in Australia, the broadcast said. Navy wives are not affected.
