

CHRISTMAS SEALS ON SALE TODAY IN JACKSON COUNTY

Hundreds of Letters in Mail—Each Community Has Own Committee for Drive

The Christmas seal, which has been waging the battle here against tuberculosis for 38 years, goes on sale in Jackson county today. Hundreds of letters are in the mail, Mrs. G. A. Gibbons, county chairman, announced yesterday and all committee workers are filled with more than the usual enthusiasm because the mobile chest X-ray, "the greatest project financed by the seal sale," moves into this county next week.

Each community has its own committee to direct the sale of seals. Mrs. Gibbons pointed out, releasing the following list of chairmen: Mrs. Ernel Stearns, Ashland; Mrs. John Day, Medford; Mrs. John Peffley, Sams Valley; Mrs. H. A. Thomas, Butte Falls; Mrs. Reed Carter, Rogue River; Mrs. Frances Pearson, Prospect; Mrs. Eva Segesman.

NATURE'S FORCES

In the outer world we see the manifestations of Nature in the sun-rise and the sun-set, in the flowers and the trees—in the delicate shades and colorings that only Nature can give. In man the manifestations of these finer forces of nature are expressed through the nerves and the nervous system. Every thought produces its effect through the nervous system and so leaves its imprint upon the physiological functioning and the anatomical structure of man. Back of every action is thought—conscious or unconscious. For the normal effect, there must be that delicate balance of normal nerve function. There cannot be this delicate balance if there is an obstructive influence in a nerve pathway. If you are irritable, suffer pain, conscious of certain parts of your anatomy, suffer with faint, tense nerves, you have a problem of structural unbalance. This structural unbalance hinders free expression of nature's finer forces. See your chiropractic and naturopathic physician that your nerves may express themselves normally.

City Workers Listed
Announcing the list of Medford workers, Mrs. Day listed Mrs. Robert Emmens as treasurer of the Medford sale and Mrs. Robert Sleeter as chairman of both sales, which will be conducted from Dec. 3 to 15. Mailing of seals has been in charge of the Junior Health group with the following women participating: Mrs. Charles Barnes, Mrs. Jack Walker, Mrs. Gibbons, Mrs. Walter Graf, Mrs. Fred W. Greene, Mrs. Robert Emmens, Mrs. Harvey Robertson, Mrs. Robert Sleeter, Mrs. Ruth Bauer, Mrs. Dwight Findley and Mrs. Day.

Miss Vene Sutherland has been assisting Miss Josephine Koppes, secretary of the Jackson county health department, in typing envelopes for the community chairman.

This 39th annual campaign to eradicate tuberculosis carries the endorsement of so many groups this year, that the Seal sale is expected to establish an all time high, Mrs. Gibbons said today.

Crazy To Speak
Speaking in the interests of the sale and to promote use of the mobile chest X-ray will be Charles Cray, vice president of the Southern Oregon Central Labor council, Tuesday afternoon. Mr. Cray is also business manager of the Electrical Workers here.

The same afternoon Father George R. Turney, rector of St. Mark's Episcopal church, and Bill Moffatt, acolyte at the church, will present a dramatization of the Seal sale story and Jackson county's major project for 1945, the mobile chest X-ray.

Toastmaster To Talk
Speakers from the Toastmaster's club are scheduled to speak at the Rotary club, Tuesday noon; the Junior Chamber of Commerce Tuesday evening; the Kiwanis club Wednesday noon and the Lions club Wednesday evening.

The mobile chest X-ray will spend Tuesday, Nov. 27, at Gold Hill; Wednesday, Nov. 28, at Central Point, and Thursday, Nov. 29, at Timber Products in Medford. Friday, Nov. 30 and Dec. 3 and 4 it will be at the courthouse in Medford. Wednesday and Thursday, Dec. 5 and 6, it will be at the fire hall in Ashland.

Wall Street

New York, Nov. 19—(U.P.)—Fear of a steel and automobile walkout together with office of price administration action in fixing automobile prices around 1942 levels unsettled the stock market today.
Steel and automobile shares broke substantially and carried the whole market down. The lows were touched around mid-session. Thereafter rallying tendencies set in and traders resumed selective buying.
Chrysler touched 128 1/2 off 3 1/2 points and General Motors 71 3/4 off 2 1/4 before meeting meager support. Other motors lost fractions to more than a point and regained part of the

declines. Bethlehem Steel made up nearly all of a one-point drop and U. S. Steel came back partially from its low of 79 3/4 off 1 1/2.

Southern Pacific wiped out nearly all of a 1 1/2 point loss. Preliminary Dow-Jones closing stock averages: Industrials 191.48, off 0.81; railroad 63.80, off 0.17; utilities 38.26, off 0.10; 65 stocks 72.12, off 0.26.
Sales aggregated 2,020,000 shares compared with 2,340,000 Friday.

Do you know what's missing from this picture?

If you're waiting for a telephone, what *isn't* in this picture may be far more important than what you see.

For although we are now getting and installing thousands of new telephone instruments, even more orders for service are being held up (and this may be the case with you) by a shortage of other facilities that take longer to build.

In many places, for example, we will have to build complicated new switchboards before we can provide telephone service . . . in others, we will even have to put up new buildings to house those switchboards.

But we are working full speed ahead, and no matter what the conditions are that are holding up your telephone, you can be certain we are doing everything we can to get to your name on the waiting list just as swiftly as possible.
