

## HOSPITALS MAKE URGENT APPEAL FOR NURSE AIDES

An urgent appeal is being made by hospital officials, the Nursing association and the Red Cross in this community for every trained nurse and nurse's aide not now working to register for either part or full time duty.

Miss Elsie Nettleton, president of the local Nurses' association, states "that Medford has fewer nurses listed with the registry than at any time since the war. With winter months and an increased number of hospitalized patients, this presents an acute situation. Our community is faced with a greater need for additional nursing service than at any time since start of the war. Hospitals are operating at full bed capacity with very meager staffs, and until the present emergency is over and more nurses are released from the armed services, it will be necessary to call upon every reserve nurse available.

Mrs. T. R. Florey, chairman of nurse side committee, which met Thursday to confer on the situation states that "she is sure every aide in the valley, when she realizes how desperately her services are needed, will give as much time as possible." All aides are asked to call the corps captain, Mrs. C. W. Guches, at 3612 for an assignment.

**WEATHER**

## DETECTIVE FINDS WAY TO BAN CONSTIPATION!

Follows a pleasant way to lasting regularity

Suffer from constipation? Then read this uncollected letter!

"For many years, while a detective sergeant in Washington, D. C., I suffered from constipation. I tried just about every remedy on the market. Then, a nurse advised me to eat a bowl of KELLOGG'S ALL-BRAN with milk and honey every morning. I've been doing this for the past ten years and, thanks to KELLOGG'S ALL-BRAN, have not had the slightest trouble with constipation." Sergeant George E. Thornton, Burbank Police Dept., Miami Beach #41, Florida.

You, too, may never have to take another laxative for the rest of your life, if your constipation is due to lack of bulk in the diet, and you eat a dish of KELLOGG'S ALL-BRAN every day and drink plenty of water! If not satisfied after a 10-day trial, send empty carton to Kellogg's of Battle Creek — get double your money back! ALL-BRAN is not a purgative. It is a nutritious food made from the vital outer layers of wheat — a most effective source of gentle-acting bulk.

Get ALL-BRAN at your grocer's. It's made by Kellogg's of Battle Creek and Omaha.

## BAPTIST WORKERS ARE TRAINED FOR CHURCH INSTITUTE

A group of Baptist ministers and leaders were in Medford Friday to conduct a training conference for Baptist workers of this district, this being part of a nation-wide program being conducted by the Northern Baptist convention. The conference here prepared workers for a local church institute which will be held once a week, over a six weeks' period, during January and February of 1946.

Both the training conferences and the institute will consider the problems of ministry to servicemen and women, evangelism, Christian teaching, Christian social righteousness, missions and stewardship.

Here for the local conference were the Rev. Chastain of the Baptist church at Phoenix, Ariz., the Rev. Prevot of Richmond, Calif., Dr. F. W. Starring, executive secretary of the Oregon Baptist State convention; the Rev. Kenneth Daniels, Portland, director of town and country work for the Oregon Baptist convention; Mrs. Thomas of the First Baptist church of Oakland, Calif., and Baptist ministers from the churches of Willows, Calif., and Tacoma, Wash.

## THREE SPEAKERS HEARD BY CLUB

E. M. Drysdale, Vincent Smith and George Davis were speakers for the meeting of the Toastmasters' club last evening at the Jackson hotel. Drysdale spoke on "the cause of three distinct personalities in people." Smith talked on "the passing of the old-time railroad car," and Davis' subject was "practical jokes and jokers."

Critics were unanimous in their opinion that these speakers have shown considerable improvement in recent months. At next Monday's meeting O. DeJarnet will be toastmaster, Charles Morris, topic master, and Claude Haggard, Archie Pierce and Lynn Cram will speak. President Harold Burelson appointed four speakers to address service clubs of the city at coming meetings in behalf of the mobile X-ray unit now being sponsored by the Jackson County Health unit.

## What the Girl Scouts Are Doing

Cancel Meeting  
Because of the Bond Premier tonight, first meeting of the vocation and personality group, or Sub-Deb Seventeen club, scheduled for the home of Mrs. Zane Kember, has been canceled. Any senior high school girl, whether she has been a Girl Scout or not, is invited to attend meetings of this new senior club. Girls interested are asked to contact Deah Jean Rose, senior high school.

## Navy Enlisting Young Men From Medford Region

Recent enlistments in the U. S. Navy from this area include Lawrence E. Robinson, Robert V. Woolfolk of Grants Pass; Charles W. Neal and Ralph R. Smith, Central Point; Dean H. Pattee, Wilderville, and Milton O. Berglund, Medford, according to J. F. Acosta, chief electrician's mate, USN, newly appointed recruiter-in-charge of the Medford territory.

This is Chief Acosta's first tour of shore duty after 10 years with the fleet, all of the time with the submarine service. He has just completed 14 war patrols on the USS Gar, USS Gudgeon and the USS Hammerhead. While serving aboard the USS Gudgeon, his ship was awarded a presidential unit citation. With this background Acosta has much interesting first-hand information for young men who are entering the naval service.

## VETERAN TO BUILD MOTEL NEAR CITY

Neil Reed, recently discharged, arrived in Medford Sunday from Camp Parks, Calif., following four years' service with the navy. An aviation metallurgist, 2/c Reed spent two years in the Pacific theater aboard the USS Minneapolis, where he received a citation from Admiral C. E. Rosendahl. He was also awarded the American theater and Asiatic-Pacific theater ribbons, the good conduct medal and six bronze battle stars for participation in nine major engagements against the enemy.

Reed, who spent eight years in construction work before entering the service, and a partner, J. W. Stewart, are to begin construction soon on the Bear Creek Motel, to be located on the South Pacific highway near Bear Creek Orchards. The motel location was purchased by Reed some time ago while spending a leave in the city.

## P.-T. A. Activities

Jackson P.T.A.  
Mrs. H. O. Colburn gave details concerning the visit of the X-ray mobile unit being brought here later this month by the Jackson County Public Health association, at the meeting of the Jackson School Parent-Teacher association held Nov. 16 at the school.

Gordon Gilmore, Boy Scout executive, spoke on Cub scouting and presented the charter for Cub Pack No. 8 to the association.

H. W. Gustin, principal of the school, told the organization of the plans now underway to purchase a motion picture projection for the school, and the group voted its support to this endeavor.

It was announced that the annual Dad's Night will be held Dec. 14, with the main feature being a potluck supper. Mrs. Hamilton, president, presided.

## SALES TAX URGED TO TAP TOURISTS AND NON-OWNERS

Salem, Ore., Nov. 20—(U.P.)—Adoption of a state sales tax for Oregon was recommended here today by the Oregon Taxpayers' Federation at a meeting of the interim tax study commission.

"The sales tax will fill the gap when the income tax dries up," Claude Buchanan, federation president, told the commission, which was meeting to hear problems of property taxation.

The federation presented a four-point program, which in its opinion, would reduce property taxes. The federation urged legislation to return many tax-exempt properties to the assessment rolls; opposed legislation requiring additional mandatory taxes by sub-divisions of the state; opposed suggestions of amending the 6 per cent limitation law, and advocated the state sales tax proposal.

**Backing Given**  
The federation was backed by the Oregon Business and Tax Research, Inc., and Oregon Association of Real Estate Boards.

"The sales tax will tap a source of revenue heretofore untouched that comes to us each year in tourists, sportsmen, vacationists," Buchanan said. "They pay sales taxes in their home states. They would uncomplainingly pay a sales tax here. They enjoy our hospitality, protection by law and conveniences, without helping pay the costs."

"This also applies to many of our citizens who have money, are good spenders, but pay little real estate taxes . . ." he added.

## What's Doing at U. S. O.

Wednesday evening a "Turkey Trot" dance will be held at the Riverside USO with the navy band furnishing the music. Hostesses are to wear calico and gingham, or other informal attire. Intermission entertainment will be provided and door prizes will be drawn. Chairmen for

the evening are: Mary Lee Strang, dance chairman; refreshments, Audrey Miles, assisted by Ina Lucas; decorations, Margaret Day, assisted by Catherine Miller, Mary Ellen, Grace Loeffler, Barbara Randolph, Pat Short and Martha Morgan.

Twilight Time will be held Thanksgiving evening with music by Kay Gentner and Maryanne Smith, followed by a turkey buffet supper at 6 o'clock, served by the USO staff and senior hostesses. Home-made pies will be furnished by the hostesses.

A dance show by the Colleen Hope dance troupe will conclude the day's program.

The fighting men have done their job—let's do ours by supporting the Victory Loan drive to the limit.

## JAPAN BARRED FROM AERONAUTIC REVIVAL

Tokyo, Nov. 20—(U.P.)—Japan was barred from the air today— even down to working model airplanes—under an allied headquarters directive outlawing possession of aircraft, aeronautical training and research by private or commercial firms.

The order was to make certain the wiping out of all possibility for a revived Japanese air force.

The directive ordered abolition of all Japanese "pilot or other training related to aircraft design, construction, maintenance or operation."

Victory Bond dollars will assure the best medical attention for our wounded veterans.
