The youth appeared in justice court yesterday and was remanded to the Jackson county sheriff's office.

The car was found the following morning by city police behind the Jackson school. Approximately \$300 had been taken from a purse found in the glove compartment, according to state police.

Ted Sletten and Joe Ginet, both of Medford, are being held in the Grants Pass jail on another charge and will be returned here to face charges of implication in the theft. All three youths have admitted stealing the car, police stated.

Thanksgiving 1945

THIS YEAR it will be once more a real old fashioned Thanksgiving in the good old American way. Many chairs that have been vacant will be filled again, family circles will be complete, and the ache and fear will be lifted from mom's and dad's hearts. It will be a holiday of deepest thanksgiving and gratitude! Thanksgiving for the heritage that has been preserved and gratitude to the sons and daughters who preserved it.
