and a warm welcome, too!

We'd like to have our Northwest neighbors feel the Olympic in their hotel. A sort of headquarters for all of our Northwest neighbors when they are in Seattle. The place to which they come naturally, and at which they feel perfectly at home. Where they receive not only every, but first, consideration. That's the kind of place we want it to be, we hope that it will be.

But it hasn't been easy these last war-torn years. Even our 1,000 rooms have not, many times, been enough. With the military forces preempting a percentage of the rooms and war-born travel exorbitant prices, it hasn't always been possible to do the things we would like. And so, if we have had to disappoint you, we hope you will understand.

Even now the situation hasn't altogether improved. But we want to take care of you. And we will do our utmost to do so. Our only request is that, while existing conditions continue, you give us as much advance notice of your visit as possible.

If you will do this you will not only find accommodations, but a warm welcome, awaiting you.

NORTHWEST ALBACORE TUNA is a premium article in the markets of the country. In 1944, Oregon and Washington caught and packed almost two-thirds of the entire Pacific Coast pack. Albacore Tuna is fast becoming one of the Northwest's outstanding industries.

## Let's Get Going

What this country needs is more goods, more production, more people working—

The public interest deserves more consideration than that—

The veterans are entitled to a better homecoming. Consumers are entitled to better treatment. The working men themselves deserve a better break.

Right now, what we need is production, production and more production—

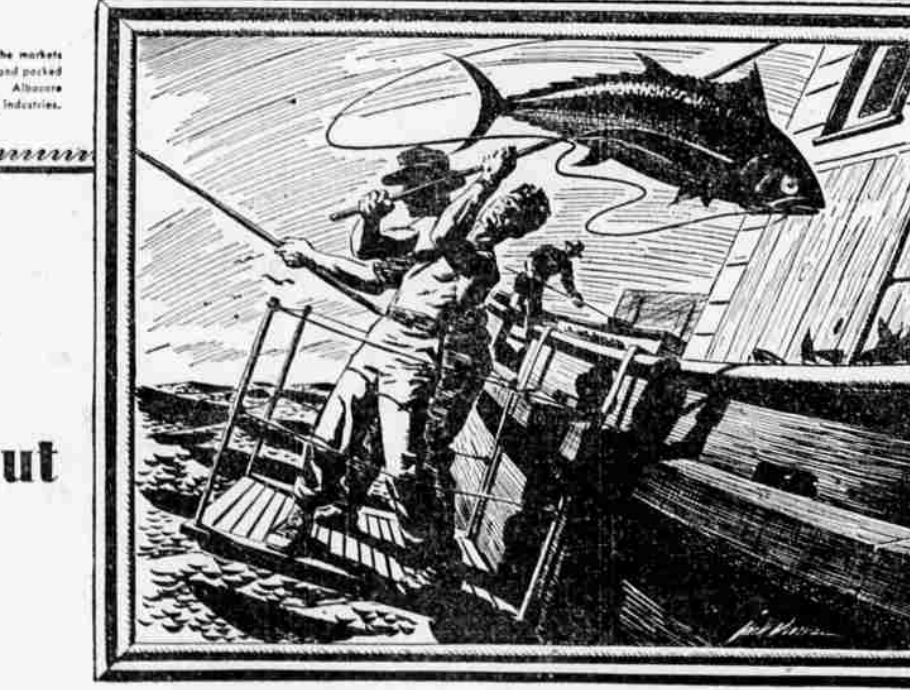

America needs more goods—more people at work.

Let's get going!

**GENERAL MOTORS**
