

## SHIRLEY FUNERAL 2 P.M. SATURDAY

Funeral services will be held Saturday at 2 p. m., for Ralph Harrison Shirley, 420 Laurel street, who passed away Tuesday in a local physician's office. The services, at the Perl Funeral Home, will be conducted by the Rev. D. E. Millard. Interment will follow in Siskiyou Memorial Park.

Mr. Shirley, who was born May 17, 1889 in Schuyler county, Mo., the son of Benjamin and Sarah E. Shirley, was associated in business here with his brother Arthur for 20 years.

Left to mourn his passing are his wife, Flora, to whom he was married Nov. 19, 1913 in Waterloo, Ia., two daughters, Mrs. Donald Grieves, Medford, and Mrs. John P. Burch, and a stepson, Paul L. Thompson, of Washington, D. C. Also surviving are six brothers, James W. and Ar-

thur B., of Medford, Benjamin, Florence, Ore., Roswell M., Toppenish, Wash., Raymond, Glenwood, Mo., and Paul Shirley of Blakesburg, Ia. Two sisters, Mrs. Clarence Moulder, Queen City, Mo., and Mrs. Ora Hammons, Green Castle, Mo., three grandchildren and several nieces and nephews also survive.

### Forests Forever Subject of Talk At Walton Meet

"Forests Forever" was the subject of Rogue River Forest Supervisor, Karl Janouch in an address at the regular monthly meeting of the Izaak Walton League at the Medford Hotel Tuesday evening. Janouch's explanation of future policies of the United States Forest Service for the conservation of America's outdoor heritages was highly interesting and instructing to the conservationist. Sound pictures in color amplified the lecture. A large attendance greeted the speaker.

President Paske spoke on the subject of steam pollution, as related to the rapid spread of polio epidemics in the United States. Further information on the subject will be given the public through the press in the near future, the local Izaak Walton League chapter having embarked on a campaign of education in co-operation with other National organizations interested in clean streams.

The December meeting of the Chapter will be highlighted by the annual election of officers and reports of the year's accomplishments.

## New Oldsmobile Shown By Edgerton Saturday

1946 Oldsmobile "Series Seventy" Club Sedan

The distinctive new Oldsmobile for 1946, attractively styled and modern will make its debut in Medford Saturday at Edgerton Motor Co., 132 South Riverside. Bill Edgerton left Medford Tuesday for Portland to drive the new car here for local showing.

When peak production has been reached, an even dozen smart new body styles will complete the 1946 offerings. These will offer a wide selection in three series—the "66", "76-78" and "98", on 119-inch, 125-inch and 127-inch wheelbases respectively.

The "66" Series, in the low-price field, will include the Club Sedan, Four-door Sedan, Club Coupe, Convertible Coupe and Station Wagon. All are powered with six-cylinder engines. The "76-78" Series in the medium-price range, will offer the Club Sedan, Deluxe Club Sedan, Four Door Sedan and Deluxe Four-Door Sedan. Both six and eight cylinder motors are available in

this series. The "98" Series in the medium-price field will offer three body styles—the Club Sedan, Four-Door Sedan and Convertible Coupe—each of which will be powered with Oldsmobile's eight cylinder 110-horsepower engine.

General Motors Hydra-Matic Drive, which affords fully auto-

matic shifting through all four forward speeds and eliminates the clutch pedal, has been extensively improved during the war years and remains one of the most important features of the new cars. Hydra-Matic Drive, of a type identical in principle with that employed in Oldsmobile, underwent rigid Army tests

and proved its stamina and durability. By reason of this excellent performance, it was adopted for use in tanks, "alligators", armored cars, trucks, "ducks" and other military vehicles. Hydra-Matic Drive has a war record of which its designers are extremely proud.

### How to cook steaks, chops and roasts

Certain basic rules should be followed in the cooking of steaks, chops and roasts to arrive at full flavor and tenderness. The broiling and roasting times listed below will be a quick and easy reference pasted in your scrap book of recipes.

#### BROILING—DIRECT HEAT

Steaks and chops should be 1-inch thick or thicker for broiling. Place meat 2 to 3 inches from heat. Brown one side of meat, then turn by inserting fork into fat, and brown the other side. About half of broiling time is required for each side, reducing heat to complete cooking after turning and browning. Season meat after broiling or just before serving.

#### BROILING STEAKS AND CHOPS

Steak 1 1/2 inches thick:  
15 minutes—rare  
20 minutes—medium  
25 minutes—well-done  
Lamb chops 1 inch thick  
12-20 minutes  
Lamb chops 2 inches thick.  
20-30 minutes

#### Pan-Broiling

Slightly grease heavy frying pan and heat to sizzling-hot. Brown meat well, about 1 minute, on both sides then reduce temperature. Turn meat at intervals and continue cooking until done. Pour off fat, as it accumulates. Do not cover pan. Do not add water.

#### ROASTING TIMES AND TEMPERATURES

300° F. to 350° F. constant temperature. (Increase roasting time approximately 10 minutes per pound for rolled or boned roasts.)

**Beef:**  
22 to 25 minutes per lb.—rare  
28 minutes per lb.—medium  
30 to 32 minutes per lb.—well-done  
**Lamb:**  
30 to 35 minutes per lb.—medium  
35 to 40 minutes per lb.—well-done  
**Pork:**  
40 to 45 minutes per lb.—well-done  
**Veal:**  
40 to 45 minutes per lb.—well-done
