Suffer from constipation? Then read this unsolicited letter!

"I was a victim of constipation for many years, trying all sorts of medicinal remedies, but to no avail. Then I tried KELLOGG'S ALL-BRAN, and after the first trial experienced relief. I now eat KELLOGG'S ALL-BRAN every day as part of my regular diet. The suffering from constipation has vanished and I am overjoyed at feeling like a new person at the age of 26. I am passing this news along so that others who are suffering may find relief." Mrs. Beatrice Meyer, 231 Hawthorne Ave., Newark, N. J.

You, too, may never need another harsh laxative, if your constipation is due to lack of bulk in the diet. Just eat a dish of delicious KELLOGG'S ALL-BRAN every day, and drink plenty of water. If not satisfied after a 10-day trial, send empty carton to Kellogg's of Battle Creek—and get double your money back! ALL-BRAN is not a purgative. It's a wholesome food made from the vital outer layers of wheat. It provides gentle-acting bulk, which helps promote normal laxation. Get ALL-BRAN at your grocer's.
