

SLIGHT CHANGE IN LOCAL SCHEDULE ON CHEST X-RAYS

A slight change in the schedule of hours under which the mobile X-ray will operate in Medford was announced yesterday by Mrs. Dwight Findley, chairman of the mass X-ray program. When the mobile unit arrives at Timber Products Thursday, X-rays will be taken from 12 (noon) until 1 o'clock, and from 2 to 6 p.m.

On Friday, when the X-ray on wheels sets up at the courthouse, X-rays will be taken from 11:30 a.m. to 1:30 p.m. and from 4 p.m. to 7 p.m. These hours have been arranged to enable workmen, who are out in the field or on seasonal jobs, to take advantage of the offer, when they would not be able to do so under the regular schedule. Monday and Tuesday, Dec. 3 and 4, the X-ray will be operated, as previously announced, from 10 a.m. to 12 m. and from 1 to 4 p.m.

Talks endorsing the program and urging men of the county to take advantage of it have been made by the following members of the Toastmaster's club: G. C. Pendergast, before the Kiwanis club; Dr. C. L. Perkins, Rotary; Dr. C. L. Coyle, Lion's club, and George Davis, Junior Chamber of Commerce.

Addresses were assigned the group by Harold Burelson, president of the Toastmasters.

Prof. J. A. C. Charles, French scientist, perfected a rubber fabric which prevented gas from escaping in passenger balloons in 1783.

Three Sisters To Mark Fifty Years Of Wedded Bliss

Long Beach, Calif., Nov. 28—(U.P.)—Three prim, graying sisters and their husbands marched down the aisle of St. Mathew's church today to repeat the Thanksgiving mass that began their marriages 50 years ago.

The half-century mark was reached today for John and Lucy Pitstick, South Charleston, O.; John and Ida Martin, Van Nuys, Calif., and Peter and Loretta Kirsch, Long Beach.

The couples were reunited here last week, the first time they all have been together since 1900. They went different ways after the Bork sisters were married in a triple ceremony in Huntington, Ind.

ROOSTER LIVES WITH PART HEAD

R. W. Burkhardt of the Central Point district brought a red rooster to the Rogue Animal hospital two days ago which had been beheaded along with half a dozen other chickens, but was still able to stand up and walk around. Last night the rooster died in its cage at the hospital, Dr. Stanley E. Philips reports.

Burkhardt told Dr. Philips he decapitated the chickens and tossed them aside on the ground. When he had completed the work he was amazed to see the rooster wobbling around the barnyard but with most of his head on the ground. He gathered up the fowl and hastened to the hospital.

An examination showed the ax had clipped off most of the head but left enough brain to provide directing power, Dr. Philips said. The neck was not injured, and the rooster was able to swallow some food. Yesterday he began to fade and during the night gave up the ghost.

A similar mishap befell a Colorado rooster last month and its picture appeared in the October issue of Life magazine.

Valentino Tea Set Is Purchased By Cantaloupe Queen

Hollywood, Nov. 28—(U.P.)—The solid silver tea set for which the late Rudolph Valentino spent \$5,500 was carried off today by a woman who bought it at auction for \$1,900.

She was Mrs. Rose Bright, known as the cantaloupe queen of Imperial valley.

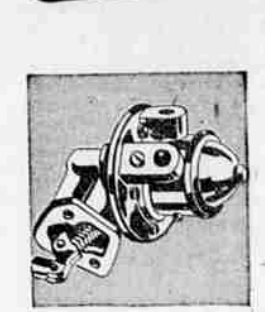

Movie stars, fans and art dealers bid up prices on Valentino items offered last night to \$35,000. Tonight's offerings include three oil paintings—a lush nude and portraits of Valentino in Arabian and Elizabethan costume.

THREE SCARLET FEVER CASES ON WEEK REPORT

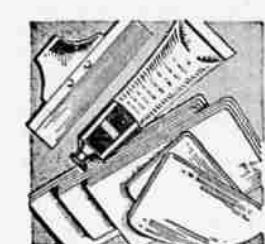

Three cases of scarlet fever, two in Medford and one in Central Point, were reported to the county health officer, Dr. A. Erin Merkel, during the week ending Nov. 23. Also listed were three cases of chickenpox, all in Medford, and one case each of measles, mumps and trench mouth, all in Medford.

GET DU PONT ANTI-FREEZE NOW
 Chances are it will be hard to replace a radiator that freezes up this winter. Engine parts are scarce! That's why the wise car-owner gets his anti-freeze long before winter arrives.

\$1.40 a gal. War Emergency "Zerone" gives thorough protection against rust and corrosion as well as freezing. Until regular "Zerone" returns (this season's production went to war), there's no better buy at the price. Remember, it's made by Du Pont.

\$2.65 a gal. A limited supply of "Zerex," Du Pont's non-evaporating anti-freeze, is now available. "Zerex" won't boil out. One filling lasts all winter. Gives complete protection against rust and corrosion—won't form sludge or clog radiators.
