Many women forgot how to shop for food during the war when they thought that the cost was secondary to getting sufficient variety and their fair share of scarce and rationed items. But the war's over — and every woman should renew her old acquaintance with economical shopping. It's time for her to read up on current food prices . . . to check ads . . . to compare! Comparison proves that Kampfer's has the biggest food values — foods famous for flavor at prices that produce worthwhile savings.
