## TRIP ANNOUNCED AT BANQUET FOR BLACK TORNADO

Squad to Make Journey to San Francisco by Bus; Coaches to Accompany

Medford high school's football team, winners of the Southern Oregon and district two championships, will see the East-West Shrine football game in San Francisco New Year's day. The announcement was made to 40 members of the team, their coaches, Al Simpson, Ed Kirtley and Bill Bowerman at a football banquet given to the team by the Medford Lions club in Hotel Holland last night.

The squad, to be accompanied by their coaches, will be guests of the business men of Medford, lodges and service clubs through whose efforts funds were raised. R. C. (Jerry) Jerome, for 14 years a member of the Shrine football committee, made the necessary San Francisco arrangements and announced the trip to the squad.

**Trip By Bus**  
The trip will be made by bus, leaving Medford at 5:30 a. m. Dec. 30, and the boys will stay at the YMCA while in San Francisco.

Following a steak dinner, a huge cake bearing the wording, "M—Our Champs" was brought in and cut by Darrell Riggs, captain of the team, and served by Glenn Tingley and Nick Greene, first team guards.

Medford Athletic Association's October award for the outstanding athlete of the month was presented to Darrell Riggs during a brief ceremony.

Simpson, Kirtley and Bowerman spoke briefly on the past season and Riggs responded for the team. Noble Vincent, Lions club president, presided over the meeting.

## BOWLING STRIKE TAKES IN PEORIA

Chicago, Dec. 6—(U.P.)—Bowling, which always considered a "strike" the perfect play, today was faced with a new kind of strike which showed signs of spreading across the country.

Detroit's bowling alleys experienced walkouts in protest of increased league rates while Peoria, Ill., alleys were silenced by sitdown strikes against similar raises.

Alley operators here also considered boosting their rates, but were watching the Detroit and Peoria situations before taking definite action. The rate increases became possible with the lifting of OPA ceilings.

The first flareup came at Detroit when 60,000 bowlers threatened to boycott the alleys because their league rates were boosted from 27 1/3 cents with rebates of five and 15 per cent to 30 cents with a one cent rebate. Open play, nightly, is 32 cents.

Virtually every city league in Peoria reported that its league schedules had been abandoned because of price increases of 30 cents a line. The bowlers asked a 25-cent schedule.

## Cleveland Bowler Paces Qualifiers

Chicago, Dec. 6—(U.P.)—Walter Ward, veteran Cleveland bowler, paced a field of qualifiers today into the final rounds of the national singles match game championships of the fifth annual all-star bowling tournament.

## ATTENDANCE UP OVER NATION IN PIGSKIN SEASON

New York, Dec. 6—(U.P.)—Football attendance in the season just concluded soared 35 per cent over 1944. All-time records were broken at a number of stadia as the sudden end of the war brought out the fans by scores of thousands for the welcome relief of sports.

A United Press survey of home games for 75 leading colleges and universities over the country revealed a total attendance of 7,264,147 or 1,886,536 more than saw their games in 1944, when a number of prominent schools did not field football teams.

By sections, the attendance figures broke down as follows: Section 1945 1944 East 1,847,675 1,308,200 Midwest 1,998,740 1,765,582 South 1,574,500 1,126,000 Southwest 457,105 354,059 West 1,386,127 831,768

The Pacific coast, bolstered by the return to action of three war-suspended teams—Washington State, Idaho and Oregon—had a banner season, with Southern California being the top drawing card on a 367,500 turnout for seven home games. The St. Mary's Gaels, sensation of the coast campaign, played all their games on the road but performed before 397,000 fans in all.

## DRAKE GETS BID FOR FRESNO RAISIN BOWL

## BATTLE ROYAL TONIGHT

The match wrestling fans have been waiting for what may become a reality at Medford armory tonight when Mack Lillard presents a six-man battle royal as an added feature to his regular program of three matches.

Mat bugs have been clamoring for a long time for Lillard to pit the Gray Mask with Rough Rufus Jones. The impresario has done just that tonight but added something extra by tossing Pete Belcastro, Joe Lynam, Gust Johnson and Angelo (Tony) Martinielli in the ring with the two head-butting specialists for a battle royal.

Whether fans will get to see the Mask and the Detroit Darky together depends entirely on the other four gladiators. First two men thrown in the battle royal will make up the first regulation match, second pair eliminated will collide in the second match and the last duo will make up the final bout. All matches will be for three rounds or one fall.

Just about anything can happen in the battle royal for there is more than the normal amount of hatred between the principals. The Mask, Jones and Belcastro have no use for one another in or out of the ring while Lynam, Johnson and Martinielli don't exactly invite the others to their social functions.

Curtain time on the battle royal is 8:30 p. m.

Joe Lynam

of the office of censorship, has been appointed vice president of the motion picture producers and distributors of America. Eric Johnston, president of the organization, said Price would be in charge of the important Hollywood office.
