**William D. Upshaw To Be Speaker at Baptist Congress**

William D. Upshaw, for eight years a member of congress from Atlanta, Ga., and in 1932 the prohibition candidate for president, will be one of the speakers over the week-end at the Congress for United Evangelism at the First Baptist Church.

He will be main speaker Saturday night at the youth rally. Upshaw's deep-south old-fashioned Georgia wit makes him a unique speaker for youth rallies.

The Georgian "orator on crutches" was known as "the most electrifying speaker in congress," keeping Washington "on its ear" by his fearless indictment of the "naughty drinking higherups." The Literary Digest said in 1923, "to Congressman Upshaw belongs the credit of awakening the conscience of America on the question of sober officials."

Upshaw will also be main speaker at the Sunday night service.

**LaVerne Redding, Naval Radioman, Home for Visit**

Redding, in the navy for 14 years, has served on many types of ships and while assigned to the attack transport, USS Laurens, participated in two invasion landings, the Lingayen gulf and the Okinawa operations.

Redding reports that during the past year the Laurens has covered some 60,000 miles in all parts of the Pacific and recently arrived from Tokyo Bay with high point men from the Eighth army ready for discharge at Seattle.

Redding is at present detached from the ship and has been assigned to radio technician's school in Chicago.
