

JAPANESE FAMILY RECEIVES TRIBUTE FOR NISEI DEAD

Gen. Stilwell Presents DSC To Sister of Sgt. Masuda, Once Terrorized

Talbert, Cal., Dec. 8.—(U.P.)—A Japanese-American family stood on the front porch of their modest ranch home today to receive from Gen. Joseph W. "Vinegar Joe" Stilwell the nation's tribute to the Nisei who fought and died for this country in the last war.

Stilwell, who flew 3,000 miles from Washington to the ceremony, pinned onto the black dress of Mary Masuda the distinguished service cross awarded posthumously to her Japanese-American brother, Staff Sgt. Kazuo Masuda, killed in action in Italy.

"The distinguished service cross is only a little thing, but in making this presentation, we want to convey to you and your family, the deep respect and admiration of every decent American," Stilwell said in a serious voice.

Standing on the front porch during the ceremony were Mary's father, Gensuke Masuda, 67, her mother, Tsunae, 62, and two brothers, Masuo, 28, still in the army and stationed at Ft. Snelling, Minn., and Mutsuo, 29, recently discharged from the army. Another son, Takashi, in the army, and a daughter, in Chicago, were unable to attend.

Tears in her eyes as Miss Masuda, nervously reading from notes hidden in her handkerchief, thanked General Stilwell for making the transcontinental trip to honor her mother.

As the presentation ended, Miss Masuda unpinned the cross from her dress, and pinned it on her mother, whose face was passive during the ceremony.

The 200 persons, many of them officials of nearby Santa Ana, crowded in front of the wooden farm house. Their presence contrasted to the visit made by a group of men who last May attempted to terrorize Miss Masuda when she returned from a relocation center. The war relocation authority listed her case as an "incident of Japanese terrorism" against Japanese-Americans in California.

Among the spectators at the presentation was Cpl. Clarence Craft, of Santa Ana, recently awarded the congressional medal of honor for heroic action against the Japanese.

REPUBLICANS MAP 1946 VOTE PLAN AT CHICAGO MEET

Full Cooperation for World Peace Stressed — Policy Statement Urged

Chicago, Dec. 8.—(U.P.)—The republican national committee tonight would map its two-day meeting on plans for the 1946 elections with a program stressing full cooperation with other nations for permanent world peace.

The committee endorsed a declaration of party principles, drafted by congressional republicans to serve as the basis for the 1946 election campaigns, and with which the GOP hope to win control of congress.

National Committee chairman Herbert Brownell said after the closed committee meeting that the program was approved unanimously, but Ralph H. Calk, committeeman from Oregon, indicated that all members were not wholeheartedly in favor of it as written.

Calk wanted a more specific program than the GOP members of congress proposed. Previously it was criticized by Arthur Clarence Buddington Kelland, Arizona national committeeman, who asked for a more detailed document.

The resolution approved by the committee provides for appointment by Brownell of a seven-man subcommittee to work with GOP members of congress to further develop a statement of GOP policy.

Brownell said he "hoped" the two groups would continue their work to the 1948 presidential elections.

The resolution also requests state and county GOP leaders to consult with republican elected officials on a GOP program to represent the views of all party members.

NAZI CRACKPOTS PEPPER GOERING WITH MOST MAIL

Nuernberg, Germany, Dec. 8.—(U.P.)—Scores of letters from cranks to the defendants in the Nazi war criminals trial come daily to the Nuernberg prison but none reach the prisoners because of security restrictions.

Officials said the letters, ranging from raving praise to angry condemnation, are intercepted to conform with a prison ruling that mail which might upset the prisoners mentally or which do not contain news vitally concerning them are not to be delivered.

Hermann Goering receives the most fan mail — most of it violent. When told about some of the letters, Goering said, "I never mind what people are saying now. I know what they said before the war."

One letter written by a bombed-out man in Hamburg began: "Dear Uncle Hermann — Now you've got plenty of time to think about the thousand year reich."

Another note, written by a war veteran, said: "The nazis ruined Germany! Who's the donkey now, you or me?"

Probably the shortest note was sent to Goering. It was addressed: "Dear Criminal H. Goering, Nuernberg jail; Pful; pful; pful!"

Design Own Auto In Postwar Style

Los Angeles.—(U.P.)—An infantile paralysis victim and a recently discharged soldier who thought current car prices too high have completed their own "silver streak" automobile in full postwar fashion.

Merlin D. Jacobsen, the 21-year-old ex-G.I., and Arthur Leuck, 19, built their auto from a standard motor, a welded chassis, aluminum and plexiglass.

It took them six months work and \$800 to turn out their own version of the "car of tomorrow." But they have already had two offers from automotive manufacturers and others from advertising concerns.

A streamlined British locomotive which holds the world's speed record of 125 miles per hour has been formally christened the "Dwight D. Eisenhower."

Lemon Juice Recipe Checks Rheumatic Pain Quickly

If you suffer from rheumatic attacks or neuritic pain, try this simple, inexpensive home recipe that rheumatists are using. Cook a heaping cup of 100% lemon juice in a saucepan. Add the juice of 4 lemons. Stir well. No straining at all and please! Do not add salt. A tablespoonful two times a day. Other whites, as soon as possible, should be avoided. This recipe is not intended to replace any medical treatment. If you do not feel better, return the empty package and you will receive your money back. No charge for postage. Money-back guarantee. CANADIAN GIRLS MADE VICTIMS OF VICE RING GANG

Niagara Falls, N. Y., Dec. 8.—(U.P.)—Federal agents have made 27 arrests in this famed honeymoon resort to break up white slave rings which have lured Canadian girls across the border and forced them to enter houses of prostitution on threat of turning them over to immigration authorities, it was disclosed today.

At least two, perhaps three, separate rings were in operation, Assistant U. S. District Attorney R. Norman Kirchbraber disclosed. He said the Canadian girls, who averaged 22 years in age, were persuaded to come to the United States on the promise they could make "good money."

U. S. Attorney George L. Grobe said the case was an example of the federal government cleaning up "a vicious situation where local authorities have failed to act."

Twelve girls were taken into custody as material witnesses. Four women and three men were arrested last night by FBI agents from Buffalo as the climax of

several weeks of painstaking investigation. Eight other arrests already had been made.

Defendants arrested last night included Clarence Tucker, Olive Lee, Alice Miller and Louis Miller, all charged with harboring aliens; Lucy Palumbo and Eddie Katts, charged with violating the white slave traffic act and harboring aliens, and Eddie Tucker, charged with selling liquor without a license.

U. S. marshals said the girls were taken into custody "in at least five places in the Falls and vicinity in groups of two or three" over a two-week period. The investigation started Sept. 18 with the arrest of Vera May Thompson, who is awaiting sen-
