

LOCAL and PERSONAL

Coat Stolen — A lady's tan coat, belonging to Mary Ann Brill, Trail, was reported stolen Monday night from a car parked near a local service station, city police said today.

To Build Garage—Edgar M. Moore, route 2, applied yesterday at the office of the city superintendent for permit to demolish a barn and erect a garage at 502 Maple street.

Window Broken — A green plate glass window in the Green Confectionery, Main and Fir streets, was broken last night when an identified soldier threw a rock through the glass, city police were told last night.

Airman Returns—Capt. Raymond H. Dougherty, who served with the army air forces in the western Pacific, has returned to Medford on terminal leave after four and one half years service. He and his wife and year old son, Michael, are visiting with Dougherty's parents, Mr. and Mrs. R. J. Rinabarger, 136 Vancouver avenue. Mrs. Dougherty and son resided with her parents in Seattle while her husband was overseas. Dougherty was stationed on Guam prior to his return to the states.

Car Damaged—A car operated by Ralph A. Ingle, 640 West Tenth street, was badly damaged last night when it failed to make a turn from Court street on to North Central avenue, city police reported today. The auto left the street striking a telephone pole and was turned on its side, police said. Ingle received slight bruises, according to the report. Also damaged last night was a car owned by C. R. Greene, 611 Riverside avenue, when it was struck by a hit and run driver, police were told. Greene's car was parked on South Riverside avenue at the time.

U.S. ONLY COUNTRY ABLE TO BUILD ATOMIC PLANT

Washington, Dec. 19 —U.S.—An engineering expert told the special senate committee on atomic energy today that no foreign country could build a plant like those needed for atomic bomb manufacture without the aid of the United States. Even Great Britain, he said, would need U. S. help in order to complete construction of an atomic bomb plant.
