## Wall Street

**New York, Jan. 2—(U.P.)—Stocks** turned highly selective in the first session of the year today with the sugars strongest and liquors the weakest of the various groups.

The whole sugar section advanced. At the highs the gains ranged to 4 1/2 points in Guant-namo preferred which made a new top. West Indies and Francisco made highs on gains of more than a point each. Gains running to more than 2 points were made by American Sugar, Central Violeto, Cuban American, and South Porto Rico. Demand for the group was attributed to anticipation of better prices ahead and to a belief the issues were behind the market.

Liquors declined as much as 4 points in Schenley and more than 4 points in Distillers Corp. Seagrams. National Distillers lost more than 2 points; and losses of nearly 2 points each were made by American Distilling and Hiram Walker. These losses were traced to normal profit-taking after sharp advances last in 1943.

## Mrs. Mansfeldt Begs For Chance To Tell "Truth"

**San Francisco, Jan. 2—(U.P.)—Mrs. Annie Irene Mansfeldt** demanded hysterically today to be allowed to tell "the truth" to the six-man, six-woman jury expected to return a verdict on her plea of not guilty by reason of insanity of the death of Mrs. Vada Martin.

The 46-year-old widow, already convicted of manslaughter as a result of the fatal shooting of Mrs. Martin, jumped to her feet and shrieked that Prosecutor Norman Elkington was "not telling the truth" in his final argument.

"Let me speak to them," she asked, waving her arms. "I can't stand any more. He is not telling the truth. I will tell them the truth."

Two bailiffs carried her from the courtroom as the trial went into a recess.
