CHILDREN'S COLDS' COUGHS, SORE CHEST MUSCLES SWEEPING THROUGH CITY

Mothers are reporting relief with Grandma's type of medication

Now that colds everywhere are bringing children's coughs and sore chest muscles, remember what many modern mothers have learned from Grandma. Grandma used mutton suet she medicated at home. Today mothers just get Penetro. Penetro is a salve with modern medication in a specially prepared base containing old-fashioned mutton suet, like Grandma used. Penetro works two ways. (1) Outside, eases ache of cold's sore chest muscles as it acts like a warming plaster to stimulate circulation right where rubbed on. (2) Inside, comforts cold-irritated nose and throat passages with its medicated vapors. Penetro is stainless, clean, white and pleasant. 25c, double size 35c. For real relief from these miseries of a cold demand Penetro.

WLB TO TRANSFER LUMBER CONTROL

Portland, Ore., Jan. 4. — (U.P.) — More than three years jurisdiction over Pacific northwest lumber labor disputes closed today as the West Coast Lumber commission of the National War Labor board prepared to turn over its duties to a newly-created labor department stabilization board at Seattle.

The Portland office has handled labor disputes and wage stabilization controls in the lumber and timber industries of Oregon, Washington, California, Idaho and Montana. The tripartite commission represented labor, management and the public and exercised the authority of the National War Labor board.

CITRUS PRICE CEILINGS REPORTED BY OPA BOARD

In response to numerous inquiries received this morning at the local war price and ration board, a statement was made concerning the ceiling prices on citrus fruits which returned to OPA control today. Oranges are to retail at five pounds for 53 cents, lemons for five pounds for 61 cents, white grapefruit at 10 cents a pound and pink grapefruit for 11 cents a pound, the price clerk reported.

It was pointed out that ceilings were removed from citrus fruits some time back but that skyrocketing prices had forced their control again.
