

USO COLLECTION CENTER JACKSON CLOTHING DRIVE

With the Medford USO established as the main collection center, Jackson county's activity in the U. S. Treasury Department sponsored "Victory Clothing Drive" gets under way tomorrow.

A quota of 50,000 garments has been set as the county's share in overseas relief. Old clothing such as suits, coats, trousers, sweaters, knit-wear, underclothing, men's hats, caps, skirts, heavy curtains and drapes, large piece goods and remnants, faded material, pairs of shoes and bedclothing is sought.

Humphreys garage has been designated a depot and collection boxes will be placed in front of business establishments and at various other points throughout Medford. Pick up service will be maintained to make pick-ups in the out-lying communities.

The Medford Junior Chamber of Commerce is heading the drive for the county. However, a large number of civic organizations are cooperating as well as churches and schools. A pre-kick-off rally in the form of a dinner was held at the Holland Hotel, Friday evening, as representatives pledged support of their various civic groups.

The drive closes January 31. Carey W. Thomson is general chairman for Jackson county's drive. He is being assisted by the following committee chairman: C. Lyall Fidler, publicity; R. A. Stagg, collection; Victor Milnes, education; Dale Stevenson, shipping; Alan H. Jewett, reports; Carl Bennett, security; E. H. Hedrick, city school superintendent, will handle the drive in Medford and C. R. Bowman, county school superintendent will direct in the other areas.

ELEANOR ARRIVES IN LONDON, POSES, HIDES IN HOTEL

London, Jan. 5 — (AP) — Mrs. Eleanor Roosevelt arrived here today with the American delegation to the United Nations general assembly and promptly hid herself in the swank Claridge hotel to escape clamoring photographers and reporters.

The black-clad Mrs. Roosevelt stole the show from the moment she stepped off the liner Queen Elizabeth at Southampton with the 100 or more fellow-delegates and assistants in her party.

She posed willingly for photographers on the docks and parried reporters' questions with her usual grace. But finally she fled into a waiting automobile with Senator and Mrs. Tom Connally and drove off to London.

At Southampton, however, she told the welcoming crowd that she had "an excellent trip, although it was rough for two days."

"We feel we are starting on a very important meeting which we hope will be successful," she said in response to queries on the general assembly meeting which opens here Jan. 10.

The Victory Clothing Collection Starts Here Monday

Oh, what they'd give to be in *YOUR* shoes!

Oh, what most of the human race would give to be in *your* shoes!

Clothing that *you* may consider old can bring new life to some suffering person to whom war brought despair and destitution. Goal of the Victory Clothing Collection is 100,000,000 garments, plus shoes and bedding. If *your* contribution seems negligible, bear this in mind: *Every garment you give means one more human being saved from cold or sickness or possibly death.*

About 25,000,000 people overseas re-

ceived clothing collected from Americans last spring. But for every person clothed so far, a dozen more remain virtually threadbare. Your spare clothing will be distributed free, without discrimination, to victims of Nazi and Jap oppression in Europe, the Philippines, and the Far East.

Dig into your attics, trunks, and closets today . . . dig out all the serviceable clothing you can possibly spare . . . take it to your local collection depot *now*. If you doubt the need for it overseas, ask the boys who've been there!
