TO WHOM IT MAY CONCERN— I, John Walch, as you remember, put out poison for coyotes in the Lost Lake district last spring with great success. So should like to ask all dog owners of this county to please care for their dogs after Sunday, Jan. 6, as there will be more poison put out for coyotes in Section 28, Township 38, SE, known as pine opening to the stockmen. As coyotes are numerous in this section, devouring a 1300 lb. horse in 3 weeks, use your own judgment as to the deer, sheep, goats and calves that are being killed by these varments. This poison will be on our cattle range.
