**DR. A. R. HEDGES**  
Chiropractic & Naturopathic Physician  
128 E. Main Dial 3170

Dr. Frank Crane in an editorial, "The First Requisite to Sanctity," says: "A great deal of what we call 'sin' is due to what the physician calls 'stasis'—an imperfect movement of the intestinal contents. A person may have the highest ideals, the purest aspirations, the noblest intentions; he may be a devotee of uplift literature, he may be instinct in prayer and earnest of spirit, and yet wonder why gloom, depression and fear constantly assail him, and he often does not realize that his trials are due to a clogged colon and not to any spirit of evil. If he would get the colon bacilli out of his system, his terrible temptations might disappear. There is a vast deal of moral and religious work that physicians might do if they would induce people to cleanse the body as well as the body-surface. The first requisite to 'sanctity' is to keep the intestines open."

**THE ASHLAND AUCTION YARD** holds a sale every Wednesday for the convenience of the people. It is our aim and purpose to hold a sale for those who wish to buy and those who wish to sell. We did not open this yard as a market for our own cattle, as we do not have any, nor do we intend buying any. This is absolutely your size where buyer and seller meet and both are assured of fair and honest treatment. All livestock is inspected and tested by Dr. W. W. Welles, your county veterinarian, whose honesty and integrity you all know. We get the highest prices possible for your farm machinery, furniture, etc. Consign your things in early. Remember this is your sale!
