

SOME MUST FILE 1945 TAX REPORT BEFORE JAN. 15TH

Farmers, persons who filed a 1945 declaration of estimated tax who wish to change their estimates and persons who failed to file their 1945 declaration must file their form by Jan. 15, according to J. W. Maloney, collector of internal revenue, Portland.

Maloney points out that only persons whose wages last year exceeded \$5000 plus \$500 for every exemption except their own, and persons who had over \$100 incomes outside of wages from which tax was withheld (assuming their overall income was at least \$500) must file the January declaration. Others file their annual income tax returns not later than March 15.

Also required to file are merchants, landlords, lawyers, doctors and others who received income from which tax was not withheld during the year. Maloney explains that farmers are not required to file declarations in March, since the law specifically permits farmers to wait until the next January.

Has anyone told you why these are *your favorite peas?*

BLENDING MAKES

REMEMBER! DEL MONTE PUTS
flavor first

Grown from our own special strain of seed, where soil and climate produce the finest quality.

They're harvested just when they're ready. Day or night! Flavor won't wait.

They're blended — for flavor balance. A quality selection of just the tastiest peas in the pod.

They're fast-packed — right after picking. For nothing's more important in canned pea quality.

That special flavor you like so well doesn't "just happen," you know! Fact is, the tomato borrowed an idea right from Nature to see that you get canned peas as good as these!

The idea is this: that peas of different sizes, different flavors, should be packed together. Because that's the way they grow.

Then Del Monte goes Nature one better. Takes out all the peas too young for flavor, the peas so old they have passed the prime of flavor. Selects the best of all the rest and packs them together — blending the sweeter flavor of the smaller sizes with the richer flavor of the larger.

And that adds up to the largest-selling brand of peas on the whole Pacific Coast — Del Monte Brand *Early Garden* Peas!
