LEGAL NOTICES. Notice of Final Settlement. IN THE COUNTY COURT OF THE STATE OF OREGON FOR JACKSON COUNTY.

IN THE MATTER OF THE ESTATE OF JOANNA LONG, Deceased.

The undersigned has filed in the County Court of Jackson County, Oregon, the final account of his administration of the above estate, and said Court has fixed the 4th day of February, 1946, at the hour of 10 o'clock in the forenoon of that day, at the County Court Room in the Jackson County Court House, at Medford, Oregon, as the time and place for the settlement of said estate.

Notwithstanding the adverse judgment of the authorities I still say that if I were in your place, F.M.S., I'd take no mineral oil nor any cascara combination or other cathartic.

I'd take only plain, whole, clean, raw flax seeds, a heaping teaspoonful once or twice a day, every day, for several weeks or months.

At the same time I'd keep on hand a supply of plain, whole, clean, raw wheat, and I'd chew a mouthful of it two or three times a day.

Third, I'd scout around and try to find some bananas. If I could find them I'd eat at least three or four ripe bananas daily, more if I liked, never less.

That's all.

On that program—and no low cracks from kibitzers, if you please—I'd sit tight, in complete assurance that Nature, long deposed and almost forgotten, will presently take over control.

In fact, if Nature has been supplanted by Nostrums, no matter whether you have developed hemorrhoids or not, some such plan as this will restore natural control, provided you are not too ignorant of elementary physiology. However, if the nostrum mongers have got you trained as a sucker, you may be hopelessly addicted by now, but anyway it can do no harm to spend a long winter evening reading "The Constipation Habit and Colon Hygiene", one of O' Doc Brady's Little Lessons in the W. of H.—mailed on written request (not a clipping) if you inclose ten cents and stamped self

Your Health and It's Care

By DR. WILLIAM BRADY, M.D. Readers should address inquiries to: Dr. William Brady, 265 El Camino, Beverly Hills, Calif.

WHAT DOES THE COP AT THE CORNER SAY? I have been taking ambulant (injection) treatment for hemorrhoids as you recommended recently. The doctor advised me to take mineral oil and also a preparation of cascara to keep the bowels regulated. But according to your teachings mineral oil is not desirable for constant use. You say flax seeds... A nurse told me flax seeds cannot take the place of mineral oil as a lubricant and will simply form bulk...

Dr. Brady says flax seeds... A nurse told me flax seeds cannot take the place of mineral oil as a lubricant and will simply form bulk...

After all, I suppose it doesn't matter much what the doctor, the nurse and I say about it. When we are through yammering you'll probably stop on your way to the store some fine morning and find out what the cop at the corner has to say. What I can't understand is how you have managed to elude the drug clerk who sells you the stuff. As salesmen the drug store counselor naturally knows as much about human pathology as a shoemaker does about bunions and Buerger's disease, or so he gives glibbie customers to understand.

Notwithstanding the adverse judgment of the authorities I still say that if I were in your place, F.M.S., I'd take no mineral oil nor any cascara combination or other cathartic.

I'd take only plain, whole, clean, raw flax seeds, a heaping teaspoonful once or twice a day, every day, for several weeks or months.
