Give Them Their **VITAMINS**
This **GOOD TASTING WAY**

You can't live without vitamins, but Nature never intended you and your family to get essential vitamins in expensive, hard-to-take medicines. She packed health-building vitamins into good-tasting fresh fruits and vegetables. Serve more of them—that's the way to give your family needed vitamins. But make sure that you get FRESH fruits and vegetables—the fresher they are, the more vitamins they contain. Our fruits and vegetables are brought in fresh daily.
