Your Health and It's Care

By DR. WILLIAM BRADY, M.D.
Readers should address inquiries to: Dr. William Brady,
265 El Camino Beverly Hills, Calif.

NO, NO, DON'T INTERFERE
I use oily hair dressings or alcohol,
and is covered with scaly dandruff a
day or two after washing. If D. A.
Answer-If you will take the
trouble to apply it to a quarter of the
scalp each night, for 4 to six weeks,
except one night each week when
you shampoo, the treatment described
in booklet "The Hair and Scalp"
will control the trouble for many
months. For the booklet send ten
cents and stamped addressed envelope.

Dr. Brady to swallow
some foreign object such as a
tack, pin, marble, coin or what
have you, chances are that the
object will pass embedded in the
fecal matter, in from 12 to 48
hours. Watch for it! Meanwhile
(1) give no cathartic, (2) feed the
child all the ripe banana or baked
or mashed potato with gravy or
butter, or all the chopped
vegetables and greens such as
spinach, carrots, celery, peas,
green beans, parsnips—all cooked
but not too soft, applesauce,
gruel, he or she will eat, for two
or three days. Otherwise just
keep cool—don't squander for
X-ray pictures good money the
baby can use to much better ad-
vantage for some new shoes. My
advice about having an X-ray
examination is this: Don't do it
unless your regular medical ad-
viser, your family physician,
considers it necessary.

I see now what a long para-
graph the foregoing makes—but
if I stop to mince it into eight
or a dozen small paragraphs
which the twelve-year 1. Q. can
digest I'm sure it will take up
more room and give less infor-
mation than the way it is.
It is futile, as yet, to say, in
my comparatively feeble voice,
that in 999 out of a thousand
instances nature will regulate the
stomach's nature will regulate the
action of the bowels just as Na-
ture regulates the breathing and
the action of the heart, if you
do not interfere with the natural
automatic control of the func-
tion. The American Wiseacre,
woefully ignorant of physiology,
just can't believe this. The poor
geek imagines something dread-
ful would happen if he were to
refrain for a week from inter-
fering with the autonomic or
automatic control of the alimen-
tary function. So he never per-
mits himself to be caught with-
out a pill or to go for more than
48 hours without dropping a
wrench in the machinery.

QUESTION & ANSWERS
Leg Ache
Answer-The calcium and vitamin
D treatment suggested for CHAMPS
in the legs at night, in the pamphlet,
can do no harm to try, even for the
leg ache children often complain of.
But the trouble you describe may not
be of that nature. I hope you do not
smoke excessively. Regardless of
your good health up to now, you owe
yourself a thorough health examina-
tion by your physician, just as a
business concern has an audit at
least annually.

Pentellin
Son, 14, subject to asthmatic
condition - wheezes - no sinus
trouble-doctor trying pentellin
sprayed in lungs, quite expensive, no
assurance. (S. E.)
Answer-Such treatment has given
excellent results in cases of asthma
based on infection. The physician de-
termines by bacteriological examina-
tion whether infection is a funda-
mental feature or cause in the in-
dividual case.

Scaly Dandruff

This Is It Mother!
Trouble-Saving, Time-Saving Tip
From Other Busy Mothers
Best-known home remedy you can
use to relieve miseries of colds-
is to rub warming, soothing Vicks
VapoRub on throat, chest and
back at bedtime. Results are so
good because VapoRub
Penetrates to cold-irritated
upper bronchial tubes with spe-
cial, soothing medicinal vapors.
Stimulates chest and back
surfaces like a warming poultice.

Then For Hours VapoRub's
special action keeps on working.
Invites restful sleep. Often by
morning most of the misery of
the cold is gone!
Only VapoRub gives you this
special penetrating-stimula-
ting action. So be sure you get the
one and only VICKS VAPORUB.
