NEW GRANDSTAND FOR BEAVERS BY 1948 ANNOUNCED

Portland, Ore., Jan. 19—(U.P.)—By the time the Pacific Coast baseball league hopes to have a major league franchise in 1948 the Portland baseball club will have a new concrete and steel grandstand with seating capacity of 18,000, William H. Klepper, general manager of the Beavers, announced today.

Whether the new stand, patterned after Briggs stadium in Detroit, will be at the present ball park site or in a new location still is a matter of conjecture.

It was learned that George W. Norgan, president of the club, and other officials have been looking for a new site that will permit expansion but no decision has been announced.

One factor in favor of the present site is the high cost of property. Norgan declared last summer when he was in Portland looking over possibilities of a new location that prices asked were considered beyond the reach of the club.

If the present site is selected, construction on the new stands would not get underway until after the 1947 playing season. Should this be the case, Portland will ask for an early ending of home games. Selection of an entirely new site would enable construction to begin much earlier.

JORGENSEN NAMED REED LINE COACH

Portland, Ore., Jan. 19—(U.P.)—New line coach at University of Portland will be Carl Jorgensen, former all-American tackle at St. Mary's College and present naval Lieut.-Comr. at Corpus Christi, Texas. Hal Moe, pilot head coach, announced today.

Jorgensen will arrive here in February to assume his new duties. Terms of his contract were not revealed.

Prior to entering the navy in 1942, Jorgensen was head football and basketball coach at Yuba Junior college in California. He also had been coach at Mt. Shasta high school and had played with the Green Bay Packers and Philadelphia Eagles in professional leagues. He won all-American honors at St. Mary's in 1933.

After a slow first canto that ended 4-4 the victors gained momentum and were ahead 16-11 midway in the game and 30-17 at end of the third quarter. A brother combination carried the Pointer onslaught as Hargus and Tom Colley counted up 15 and 10 points respectively.

The locals took an early lead and the first quarter ended 5-0. The halftime score favored the Loggers 8 to 6 as Ellis, tall Butte Falls center, whipped in three field goals and two foul shots to account for his team's entire scoring effort.

Third period was a hectic saw-saw affair ending in a 20-20 dead-lock. In the last stanza the superior physical condition of the Pirates began to tell, and after Johnson and Newton canned two apiece, the locals slowed up the game with a fine display of stalling.

High point man was Ellis with 18 markers while Johnson paced Phoenix with 12.

In a preliminary tilt the Phoenix second team outclassed the smaller Butte Falls boys by a 30 to 10 score.

MORTENSON FOE NOT YET CHOSEN

Clara Mortenson, world's wrestling champion among the women, will face either Betty McCoy, mid-west grappling artist, or Rita Martinez, Mexican spitfire from Los Angeles, in the added attraction of Wednesday night's wrestling card at Medford armory. Promoter Muck Lillard said yesterday. Miss Mortenson's title will not be at stake since her right to the belt is hotly disputed by Mildred Burke of Kansas City, according to the promoter.

The six round main event between Joe Lynam and Jack (Buck) Lipscomb is gaining as much attention as the girls' feature. Lynam took the Pacific coast junior heavyweight belt away from Lipscomb in Portland a few months ago. The clash will be a non-title affair but will give Lipscomb a lot of satisfaction if he can gain the nod.

Leo Mortenson, 200-pound brother of Clara, will face Pete Belcastro in the semi-windup and Herb Parks tangles with veteran Bulldog Jackson in the opener, starting at 8:30.

Lillard said there will be no increase in ticket prices for the extra bout.

MOYER WINS BY EIGHT ROUND KO

Portland, Jan. 19—(U.P.)—Tommy Moyer of Portland, who was Oregon's outstanding amateur boxer before he went away to war with the Northwest's 41st division, has won the welterweight boxing title of Oregon.

Moyer knocked out Johnny Suarez of Mexico City in the eighth round of the scheduled 15-round main event at the Portland Civic auditorium last night.

But Moyer had to take it as well as dish it out in the action-packed encounter. Suarez sent him to the canvass twice in the first round with rights to the head.

In the eighth frame, Moyer zoomed a quick left hook that sent Suarez down for the full count. Moyer weighed 146½, and Suarez, 142½.

A turnout of more than 3,000 fans brought a gate of \$11,000.

PORTLAND GIVEN PRO GOLF TITLE MEET IN AUGUST

Portland, Ore., Jan. 19—(U.P.)—Topflight golfers from every part of the nation will meet in Portland next Aug. 19-25 for the 28th annual championship of the professional golfers association, sponsor Robert A. Hudson announced today.

Hudson, president of the Portland golf club who lured the PGA to Portland after staging the Portland opens of 1944 and 1945, said 120 players will tee off in the title play. Details were arranged in San Francisco by Hudson, president Ed Dudley and Secretary Freddie Corcoran of the PGA.

National Champion Byron Nelson and host professional Larry Lamberger are the only players not having to qualify. Sectional qualifying dates will be announced early this spring. Hudson's record prize money of \$25,000 is expected to lure a big field.

The Portland event will replace the Portland open as well as the Seattle, Spokane and Tacoma open meets held last year.

The schedule calls for 36 holes qualifying rounds, with 18 holes Monday, Aug. 19 and another 18 Tuesday. Then 64 players will start match play Wednesday, reducing the field to 16 players. These 16 will go 36 holes Thursday, eight survivors will play 36 holes Friday, four survivors go 36 holes Saturday, and the two finalists battle it out over 36 holes Sunday.
