BETTY MCCOY IS TOUGH FOE FOR WOMEN'S CHAMP

In signing Betty McCoy to face world women's champion Clara Mortenson in tomorrow's special event of the Medford armory wrestling wars, Promoter Mack Lillard has obtained the best possible opponent for the veteran champion. Miss McCoy has been in the mat game a long time and knows her way around inside the ropes. She is a wiry campaigner who can take care of herself in any kind of competition. It will be a non-title affair since Mildred Burke of Kansas City has a strong claim to Miss Mortenson's title.

When can I get a telephone for my farm?

We'd like to say very soon.

But actually, it will take some time before we can provide a farm telephone for everyone who wants one... even though we are cutting down our waiting list every day.

For there are many places where we have to install complicated switchboards... some, even, where we have to build entire new buildings. Our rate of progress will depend on how rapidly our manufacturers can supply the necessary equipment and materials.

Your local Telephone representative will be glad to tell you what has to be done in your locality and give you the latest information on about how long it will take.

Meanwhile, you can be certain your farm telephone is on the way and that we are doing everything possible to hurry the day we bring it to you. Note to farmer-line owners: we'll be glad to advise you on your telephone maintenance problems and check your instruments. Just call your local Telephone office.

heavyweight champion, meets Jack (Buck) Lipscomb in the main event. Lynam took the title from Lipscomb several months ago in Portland and Jack has been clamoring for a rematch ever since. Lynam could not be talked into putting his crown on the block but was finally persuaded to accept a non-title go.

Leo Mortenson, Clara's 200-pound brother, will have a hard nut to crack when he mixes with Pete Belcastro in the semi-final. Mortenson, who travels about the country looking after his sister's interests, is a rugged veteran of the mat who sprinkles a smattering of wrestling in with a handful of "out of the book" maneuvers. But in facing Belcastro he will have to think quick if he is going to outsmart the Weed Italian on rough stuff.

By far the game's most colorful figure, Bulldog Jackson will look grips with Herb Parks, Canadian champion, in the 8:30 opener.

Groceries Gold Bars won their first basketball game of the season when they took a '37 to 36 thriller from Mobligas in a Southern Oregon Independent League game at Lincoln school gym last night. The victory put the two teams in a tie for third place, leaving Medford Hotel in command of second spot, behind Camp White Navy and Ashland Elks, tied for first. Medford Junior Varsity, in last place, meets Camp White Navy at the camp tonight in a league tussle while Mobligas travels to Kerby for an infantile paralysis benefit game with the Illinois Valley Ramblers.

Had the Medford high basketballers made anywhere near the normal amount of their shots in the first half of their game with the Oregon State Rooks Saturday night, the score would have been much different at the end and a near-nervous collapse would have been averted by many spectators. The game had by far the greatest finish of any contest staged here in a long, long time.

At the end of the game there was so much yelling and general confusion that players and officials could not hear the horn and the game continued for several seconds before Bill Bowerman could get out on the floor and stop it.

Medford's mentor, Al Simpson, should send a letter of thanks to Frank Mandic, coach of the Rooks, for the victory. Mandic went onto the playing floor during time out between the regular playing time and over-time period, much against rules of the game. Captain Darrell Riggs calmly potted the technical free throw which put the Tornado one point ahead. During the overtime each team sank two baskets... Thanks, Mandic!

The preliminary clash between Grants Pass and Medford Junior Varsity also had the big crowd sitting on the edge of their seats but the locals pulled away with three minutes to go with five field goals to earn the victory.

Medford Athletic Association's basketball committee has decided to turn the team over to Medford's independent Mobligas dealers for sponsorship. Reason for the switch in sponsors was given as follows:

Several county teams which were not organized in time to get into the Southern Oregon independent league have expressed a desire to have a league. The MAA committee decided to turn their team over to Mobligas and devote their time to sponsorship of another league and to seeing that the current one functions smoothly. The committee said they felt it was up to the association to see that as many teams as possible got a chance to play

Audrey Swoape went to Portland with the Burgoyne's bowling team and played a big part in bringing the state title to Medford. They evidently like Audrey in Portland.

Here's what today's Portland Oregonian has to say about her: "Audrey Swoape, a cute little koglerette from Medford, walked out of the Portland alleys Sunday with just about everything except Tom Perry's safe and Esther Shubert's good nature as the women's state bowling tournament ended.

"Late Saturday night she paced the Burgoyne team of Medford to the class 'A' team title with a 529, and then roared back Sunday to trundle a 188-175-194 — 557 to win the class 'A' singles, and, not content, added a 179-164-204-547 to give her and partner Flo Ann

Eaton second place in the class 'A' doubles."

Don Faber Not To Return To Work At Portland College

Central Point, Jan. 22 — Donald E. Faber, who for the past two years has been on leave of absence from his post as athletic director at Lewis and Clark college of Portland, has rejected the terms offered by the school for his return next September and will remain in the grocery and feed business here with his brother Everett.

Faber was placed on leave when the war brought on conditions that did not warrant a full time job for him at the institution. He joined the faculty of the school in 1936 when it was located in Albany and known as Albany college.

The Fabers have stores in Central Point, Medford and Butte Falls.

Jantzer and Moore Are High Scorers At Gun Club Shoot

Thirty-two shooters turned out for the skeet events at the Medford Gun club Sunday, more than half of the number making

their first attempts to hit the elusive targets. Only darkness brought the program to a close but everyone had a chance to shoot one or two "strings" of 25.

George Jantzer and Jim Moore had the high scores with 43 out of their best 50 targets. E. W. Brown had a 40 out of 50 and Sam Jennings had a 21 out of 25 with the little .410 gauge gun.

Southern Oregon trapshooters are expected to gather at the new Central Point Gun club for its initial shoot next Sunday.
