

SHASTA-CASCADE DRIVE CHAIRMAN IS PETER GERIG

Redding, Calif., Jan. 24 — Peter Gerig, well-known Bieber rancher and member of the board of supervisors in Lassen county, was named general chairman today by the executive committee of a drive to raise \$50,000 for a nation-wide advertising program to attract tourists to the Shasta-Cascade Wonderland.

The executive committee, composed of J. R. Shannon, chairman, Charles M. Dicker, president of the Redding Chamber of Commerce, John J. Fitzpatrick, Glenn D. Newton, city attorney, and Thomas B. Riley, all of Redding, named Gerig to the chairmanship after a meeting of the board of directors last week authorized the expansion of activities of the Shasta-Cascade Wonderland association.

The association, which during war time when traveling was restricted did little advertising, plans to expand its program for the advancement of Shasta, Siskiyou, Modoc, Lassen, Trinity and Tehama counties in California, and Jackson, Klamath and Lake counties in Oregon, the nine counties of the Shasta-Cascade Wonderland.

The campaign to finance this program will raise funds from voluntary contributions and memberships in the association. Gerig pointed out that the association's program covers four points: Advertising, to bring the tourist; the industrial expansion which logically will follow; conservation of the natural resources of the area; and an education program of service to the tourist.

PETRILLO CURB GIVEN APPROVAL

Washington, Jan. 24 — (U.P.) — The House Interstate Commerce committee today approved a bill designed to curb the activities of James C. Petrillo and his American Federation of Musicians (A.F.M.).

The vote in favor of the measure was 14 to 5. The bill does not mention Petrillo by name, but it is openly aimed at him. It would make it unlawful for anyone to coerce or attempt to compel a radio broadcaster:

1. To employ more people than needed.
2. To pay money to anyone for failure to give employment to any person in connection with broadcasting business.
3. To pay more than once for services.
4. To refrain from broadcasting non-commercial educational or cultural programs in which the participants receive no pay.
5. To refrain from broadcasting of any radio program originating outside the United States.

Hart, a Santa Ana newspaperman, former general manager and editor of the Twin Falls, Idaho, Times, and since 1943 city editor of the Eugene, Oregon, Register Guard.

Bourne has been northwest business representative in Portland since 1944. He is a former U.P. west coast manager and Reno bureau manager.

RELEASE OF FATHERS URGED BY JULY FIRST

Washington, Jan. 24 — (U.P.) — A senate subcommittee investigating demobilization today urged the release of all fathers from the army by July 1. It also called for immediate dis-

charge of all soldiers not performing essential duties. Gen. Dwight D. Eisenhower, army chief of staff, told a group of protesting wives yesterday that there are now 700,000 fathers in the army and that 500,000 of them would be released by July 1 under the new demobilization plan.

Mother of Four Gives Them Up For Love of Boy

Benton Harbor, Mich., Jan. 24 — (U.P.) — The 23-year-old wife of a taxicab driver signed a court release today for adoption of her four children so she could get a divorce and marry a 17-year-old boy.

Mrs. Wynona Ezell and her husband, Clarence, 24, appeared before probate judge Malcolm Hatfield and signed the adoption papers.

Judge Hatfield said she was the victim of "an emotional storm" over her love for 17-year-old Lawrence Sipe, Jr., son of a restaurant owner.

The Ezells' children, Danny, 5 months old, Wilma Faye, 2, Peggy Ann, 3, and Mamie DeLores, 4, were placed in licensed boarding homes in Benton Harbor and St. Joseph pending their adoption.

Ezell told the judge that "I am stepping out of the picture so my wife can get a divorce." He did not protest his wife's action.

City Council Bows To Union Pressures; Returns Fire Pots

Saginaw, Mich., Jan. 24 — (U.P.) — The CIO United Auto Workers won a minor skirmish today when firepots were returned to General Motors pickets in Saginaw.

The firepots—used by pickets to keep warm—were removed last week when the Saginaw Manufacturers' association demanded enforcement of a city ordinance forbidding fires on public property.

The union threatened to make it hot for city officials. The city council amended the ordinance.

India Lost Faith In United States During War, William Phipps Claims

People of India have lost faith in the United States, William Phipps, Associated Press correspondent and son of W. E. Phipps of Medford, said before the city club of Portland recently.

Phipps, who spent two years in India covering the recent war, said the 11 per cent of Indians literate enough to form a public opinion are suffering from bitter disillusionment. It might be considered a four freedoms hang-over for India was in ecstasy when it learned of the Atlantic Charter, according to Phipps.

Indians have no faith in Britain and exuberance over the charter had nothing to do with Winston Churchill, the corre-
