BOY SCOUT WEEK WILL BE MARKED BY TWO MILLION

'Scouts of the World—Building Together,' Theme of Feb. 8 to Feb. 14

Nearly two million Boy Scouts, Cub Scouts, Senior Scouts and adult leaders throughout the United States will commemorate Boy Scout Week, which begins Friday, Feb. 8, and continues through Feb. 14. Theme of the observance, which marks the 36th anniversary of the founding of the movement in America, is "Scouts of the World—Building Together."

The Boy Scouts of America have created a "World Friendship Fund" and nearly two million members have been invited and urged to contribute voluntarily to it. Through the fund, Scout associations in lands ravaged during World War II are being helped to rebuild their organizations. At the outbreak of

the war in 1939 there were more than three million Scouts and leaders in 70 different lands.

Aid to Post-War World
Many Boy Scout troops, Cub packs, and Senior units will mark Boy Scout Week by contributing to the fund through local Boy Scout councils. The national executive board of the movement authorized the World Friendship Fund, believing it can make a definite contribution to the post-war world, since boys dedicated to the Scout ideals of tolerance, friendliness, and democracy, may be the leaders of the world tomorrow.

Many troops have contributed from the money earned by salvaging waste paper, while others have given the proceeds of special Scout entertainments. To make certain the greatest good is done with each dollar spent, the Boy Scouts of America secure the advice of the International Scout Bureau in London and has arranged with agencies of the federal government at Washington to see that the Scout organizations actually get the help in the manner intended. The fund will continue as long as Scouting overseas needs aid for rebuilding.

The Boy Scouts of the Philippines, for many years a part of the Boy Scouts of America, and now an independent association, has received a shipment of Scout supplies and \$12,500. Ten thousand

"SCOUTS OF THE WORLD BUILDING TOGETHER"

Nearly 2,000,000 Cub Scouts, Boy Scouts, and Senior Scouts will mark the 36th anniversary of the Boy Scouts of America during Boy Scout Week, Feb. 8th to 14th. The theme of the celebration is "Scouts of the World—Building Together." Members of the Movement are helping brother Scouts throughout the world to reorganize. Their "World Friendship Fund" of voluntary contributions and their "Shirts-Off-Our-Backs" project of donating Scout Uniform parts and equipment, will assist Scouting overseas and help develop understanding among the boys of the world. Above is the official poster marking the event.

sand dollars of the fund, earmarked for the Philippines, forms a memorial to the late General Theodore Roosevelt, a vice president of the Boy Scouts of America at the time of his death in Normandy, who took a deep personal interest in the progress of Philippine Scouting while governor general of the islands.

Help Through Literature
Thirty-seven shipments, mostly Scout literature, have been sent to 20 countries. The fund is making possible an international edition of Lord Baden Powell's original "Aids to Scoutmastership," an edition of value in every country.

A feature of the Boy Scout Week celebration is the "Shirts-Off-Our-Backs" campaign. Boy Scouts are out to collect from 500 to 1,000 tons of used but clean and serviceable Scout uniform parts and camping equipment to help Scouts overseas resume their Scouting activities. The collection is not considered charity but rather sharing by one Scout with another.

Nationwide Observance
Boy Scout Week will be observed in every city and town and in nearly every village and hamlet in the nation. Since Feb. 8, 1910, when the Boy Scouts of America was incorporated at Washington, D. C., more than 12,500,000 men and boys have been in Scouting. The active membership today is more than 1,950,000 Cub Scouts, Boy Scouts, Senior Scouts, and adult volunteer leaders.

"RIVERSIDE TIRES..."

didn't come on my car, -

I CHOSE THEM!

When Your Car Is Your
Business, Tire-Miles
Per Dollar Mean Plenty

40 million Riverside Tires have been sold ... to car-owners of every type. And every single one of these Riversides was deliberately chosen, in preference to all other makes of tires. (For Riversides don't come on new cars.) Millions of Americans who choose their tires carefully have learned that Riversides mean more miles per dollar, more miles of safety. Today, Riversides are actually stronger than our prewar tires! Every ply is made stronger to make your tire last longer and provide protection against separation, bruises, and blow-outs.

If we are temporarily out of your size, remember—new tires are arriving at Wards every week. (And selling fast!)
