Most of the market news was construed as favorable but the urge to take profits offset the good influences of the various items. Several companies increased their dividends. U. S. Is there a special goodness about this sauce?
LET'S ASK THE WOMEN WHO COOK WITH DEL MONTE!

Yes, Del Monte Tomato Sauce has been the grand old cooking sauce of western housewives, for years! Was their favorite—is their favorite!

And even during the war, when it was hard to get, they didn't forget it. Certainly not!

How do we know? Well, one of America's largest independent research organizations went out and asked them.*

And what did Del Monte users say about Del Monte Tomato Sauce? Plenty! Two out of three women preferring Del Monte have used it over 10 years. Listen to Mrs. Koler, for instance:

"I've trusted this sauce for 22 years!"

—Says MRS. E. V. KOLER, 1904 FILBERT STREET, SAN FRANCISCO

Have you had lots of cooking experience, Mrs. Koler?

"My, yes! I've been a cooking fan since I was seven! And for 22 years, Del Monte Tomato Sauce has been a staple on my pantry shelf—10 or 12 cans of it. I'd be lost without it. I make so many stews, meat pies and fish dishes. I just can't imagine them without that good rich tomato flavor."

Have you ever cooked with other tomato products?

"Yes, a few times. During the war, Del Monte Tomato Sauce was scarce in my neighborhood at times. That's how I happened to try other tomato products for cooking. But I must say not one of them can match Del Monte Tomato Sauce!"

* A representative cross section of housewives in Pacific Coast cities of 10,000 and over.

Are you cooking for a family now?

"Yes, four of us. And I'm teaching the children, too. During the war I worked in a war plant, and often they had dinner waiting when I came home. It's so easy to cook with Del Monte Tomato Sauce anybody can use it. Seems everybody likes it, too. My Tomato-Oyster Casserole for example—it's a big hit at home and was a great success at our church bazaar awhile back."

2 out of 3 of them have used it more than 10 years

Try It! See why everybody likes Mrs. Koler's TOMATO-OYSTER CASSEROLE

1 pkg. elbow macaroni
2 tbsps. oil
1 tbsps. green pepper, minced
1 medium sized onion, minced
1 can oysters
2 cans Del Monte Tomato Sauce
Pepper to taste
Grated cheese, if desired
Boil the macaroni in salted water until tender, about 30 minutes. Drain. Meanwhile, fry the minced pepper and minced onion in the oil until both are tender. Drain the oysters, reserving the liquid. Arrange the macaroni in a buttered casserole. Top with the peppers, oysters, Del Monte Tomato Sauce and Sauce in layers, topping finally with tomato. Bake in a slow oven (325° F.) for about 30 minutes or until thoroughly heated. Do not overcook—overcooking toughens oysters. Serve with Del Monte Red Salmon instead of oysters. She says it's a treat, either way.
Note: Taste the oyster liquid and if it is too salty discard half the liquid replacing the amount with water.
