

MRS. LAURA KING FUNERAL MONDAY

Christian Science services will be read in the Conger-Morris Chapel at 2:30 p. m. Monday for Mrs. Laura A. King, 93, of Phoenix, who passed away January 28 in San Diego, Calif., as the result of a fall. Interment will be in Jacksonville cemetery. Mrs. King and her daughter, Mrs. D. M. Watt, also of Phoenix, were visiting at the home of her grandson, Harvey K. Watt, in San Diego when the end came. Mrs. King, born in New Richmond, Ohio, December 30, 1852, went to California with her parents in 1857 traveling by boat from New York to the Isthmus of Panama, then continuing by boat to San Francisco, by stage to Sawyers Bar, Calif., then by mule train to the south fork of the Salmon river where her father, Arron Short, operated the hotel.

After her father's death, the family moved to Sawyers Bar where the children attended school and later to Jacksonville, where she met George A. King, a pioneer stage driver. They were married in 1872. To this union were born two children, the late George W. King, of Phoenix, and Mrs. Watt.

Other surviving relatives are: Nephew, Dr. Charles L. Harvey, Martinez, Calif.; nieces, Mrs. Ray A. Whidden and Dorothy Whidden, of San Mateo, Calif.; grandchildren, Silas F. King, Portland; Mrs. W. G. Miksche, Portland; and Mr. Watt, of San Diego; great grandchildren, Mary Ann King, George W. King and Sandra Miksche, all of Portland.

Balancing Canine Carries 14 Foot Poles Across Back

"Stub," four-year-old terrier belonging to Roy Varner, disdains to play with small sticks like other dogs. Instead, Stub balances long poles across his back, working at the game until he gets the pole just in the right spot to balance.

Varner proves his story by displaying two pictures of the dog, carrying long poles across his back, one of the poles measuring about 14 feet. The dog, owned by Varner since a small pup, always showed more than usual interest in playing with sticks, according to his owner, and eventually learned the trick of carrying the poles. Stub is part terrier and part bull dog.

Varner, who lives at Route 4, Box 391A, is quite sure Stub is the only amateur pole-balancing dog in the nation.

Merchant Marine Cadet Corps Open For Midshipmen

New regulations, whereby youths may now apply for appointment as cadet-midshipmen in the United States merchant marine cadet corps, were announced by Commander E. G. McDonald, USNR, district supervisor, at San Francisco, Calif.

Honorably discharged veterans of the armed forces and merchant marine are granted an age waiver to their 24th birthday and allowed five points additional on competitive entrance examinations.

Applications should be made directly to the District Supervisor, U. S. Merchant Marine Cadet Corps, Training Organization, War Shipping Administration, 262 California St., San Francisco, Calif., before March 1, 1946, for the next competitive test to be held April 3, 1946.

Oregon Democrats To Outline Plans

Bend, Feb. 1.—(UPI)—Oregon democratic committeemen will meet in Bend tomorrow and Saturday to outline campaign plans for the May primary election.

Principal speaker at the main session Saturday will be Pat Ivory, Klamath county lumberman. State Chairman Henry Aiken said most of the 36 county committeemen have indicated they will attend the Bend meeting.

It would take a cable more than 300 miles in diameter to hold the moon in its orbit around the earth if the gravitational attraction between the two were to disappear.

Closing time for Classified Ads 8:30 a.m.—Too Late to Classify 12:15 p.m.

"Ah-h-h! I Can Breathe Again!"

If your nose sometimes fills up with stuffy transient congestion—put a few drops of Vicks Vapo-rinol in each nostril. It quickly reduces congestion and makes breathing easier in a hurry... gives grand relief from sniffly, sneezy, stuffy distress of head colds. Follow directions in the package.
