Must Be Good!
 All thru the years—at the first sign of
 a cold—the Quintette's chest, throat
 and back are immediately rubbed with
 Musterole.
 Musterole instantly starts to relieve
 coughs, sore throat and muscle soreness
 of colds. It actually helps break up
 painful local congestion. Makes breath-

PROFESSIONAL, AMATEUR OR FAN

In this land of make-believe it
 has not alarmed any significant
 number of educators, physicians
 or legislators to learn that
 the youth of the land is
 weaker, softer, less fit for mili-
 tary service or for peace-
 time living than was the
 youth of the preceding
 generation. Least of all do
 the young folk themselves
 feel any concern about this
 national decline—a
 atrophy which is shown by the
 great numbers of young men
 who were rejected as unfit to
 fight in World War II. Don't try
 to deceive yourself that this is
 just my peculiar notion. What
 worries me—next to the fright-
 ful increase in alcoholic indig-
 nance in youth and the absurdly
 easy or phony divorce racket
 conducted by some corrupt
 States—is the sad truth the fig-
 ures tell. Before you form any
 snap judgment or utter any half-
 baked view of the matter you
 had better consult the records
 of the number of rejections of
 registrants under selective serv-
 ice in World War I and in World
 War II in proportion to the total
 examined.

It is my opinion that this flab-
 biness and weakness of the
 modern youth in America is due
 mainly to our characteristic
 Yankee enthusiasm for pool-
 poohing, ignoring and evading
 elementary physical education
 in and out of school.

QUESTIONS & ANSWERS

How to Gain Weight
 Two years ago I, female, 35, 61
 inches tall, weighed 92 pounds and
 could not gain any flesh no matter
 how I tried. I wrote you, received
 your pamphlet, now weigh 120
 pounds and feel just fine—worked
 all through the war in a defense
 plant and did all my own housework
 and took care of my two children.
 (Mrs. M. R. H.)

Answer—Any one who will take
 from a glassful (1/2 pint) to a pint of
 milk and a slice of bread (preferably
 whole wheat) and butter (oleomar-
 garine) with or without sugar, every
 night before going to bed, will gain
 from ten to twenty pounds in a year.
 Of course this is in addition to the
 ordinary meals. Send stamped self
 addressed envelope for pamphlet

 Tony the Irish Terrier
 Our little wire-haired terrier has
 been having ear trouble—he shakes
 his ear a lot and tries to scratch it
 and there is sometimes a discharge
 ... we remember how fond you
 were of Tony the Irish Terrier and
 so ... (Mrs. E. H.)
Answer—Yabba! Tony gave me up
 as just too dumb to understand, after
 he had tried for nearly ten years to
 teach me. He used to get burs and
 things in his ear, which the nice kind
 veterinary physician would remove,
 and then for a while everybody
 would be happy.

WARREN HANDED WORKS MEASURE

Sacramento, Feb. 6—(U.P.)—
 The state assembly today sent
 to Gov. Earl Warren for signa-
 ture or veto the controversial
 bill granting \$90,000,000 to cities
 and counties for local public
 works.

Final approval of the bill by
 the assembly was on a 54 to 12
 vote. The action was concurring
 in senate changes in the bill.

Earlier the bill was amended
 to prevent any person from
 drawing more than 23 weeks of
 benefits for both unemployment
 and illness. As introduced, it
 would have allowed sickness
 benefits of up to \$20 a week for
 not more than 23 weeks in addi-
 tion to similar unemployment
 benefits for a like period.

The measure would enforce a
 week's waiting period before
 benefits for a like period.
