Your Health and It's Care

By DR. WILLIAM BRADY, M.D.
Readers should address inquiries to: Dr. William Brady,
265 El Camino Beverly Hills Calif.

WELL, HERE WE GO AGAIN
After luncheon consisting of
sandwiches and two or three
bottles of beer, I had
walked twenty
feet from the table—

This is a

his story.
folks, not Ol'
Doc Brady,
who, of course,
would not
take beer with
lunch or at
any other
time, as he is
not yet old
enough to need
a narcotic to
make life easier
for him or to
make him easier
to live with—
the alcohol in beer or wine is of
course narcotic. The reader con-
tinues:

... I had a severe pain in
my chest... cardiograph tests
failed to show any heart trouble
... on a strict diet for 4
months... have a strain job...
accumulation of gas and relief
with eructation of the gas...
materially better when I leave
cigarette smoking alone... per-
sonally I think it is a case of
nervousness affecting my diges-
tion... changed doctors and
the latter said that in his opin-
ion it was what might be termed
a case of nervous indigestion.
(L. J. A.)

Having so termed it, the doc-
tor need only continue playing
his cards close to the chest until
the patient changes doctors
again.

From the tone of L. J. A.'s
letter it would seem likely that
there will be a change shortly
now.

If I were the patient and the
doctor ascribed my trouble to
nervous indigestion I'd change
doctors right away.

I have a healthy fear of ner-
vous indigestion, or acid indig-
estion, or acute indigestion, or
intestinal indigestion, or any
other variety of indigestion. I
fear it because it never hap-
pens. I mean to say that inter-
ruption of digestion, or distur-
bance of the digestive process, or
rebellion of the digestion
against overindulgence or the
wrong kind of food never ex-
plains any real or prolonged or

Eye Wash
Several years ago you published a recipe for home made eye wash that was wonderful. Please repeat the for-
mula. (L. S. B.)
Answer—Well, years ago I recom-
mended a boric acid solution as eye
drops or eye wash—disinfecting and
tearful of boric (otherwise called
borax) acid powder or gran-
ules in a pint of freshly boiled water.
Use this as freely as desired for bat-
hing the eyes or for dropping in the
eyes when they are inflamed. Always
use it as freely as desired. Prepare the
solution freshly every week or so.
No Soda

Answer—Send stamped self ad-
