He said he thought the appointment of Gus J. Solomon to an Oregon federal judgeship would be confirmed by the senate. An American Bar association charge that Solomon was appointed for political reasons instead of ability did not contain a bill of particulars, Morse said.

Oregon's junior republican senator said while in the state he would talk mainly about his voting record.

The makers of Beltone, Dept. 40, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement they will gladly send you their free brochure (in plain wrapper) and explain how you can test this amazing device in your own home without risking a penny.
