now mother sleeps...
because baby sleeps safely
in SANDMAN® SAFETY SLEEPER

100% safety for baby in the sleeper with the invisible arm—a Turn-a-bout swivel strap fastens to the bottom of crib (or spring) and allows baby to turn and twist in every direction except toward the head of crib. Keeps your baby snug under covers. Taron zippered from toe to chest for easy diapering—no zipper in the throat area. Made of Sanforized flannelette or combed cotton in white, pink, blue, maize. Small, (layette to 6 months) medium, (6 months to 1 year) large, (1 year to about 3 years).
