## Pearson Unable To Attend Demo Meeting

State Treasurer Walter J. Pearson, who this week announced his candidacy for the governorship of Oregon on the democratic ticket, will be unable to attend the democratic candidate's meeting to be held here Saturday. United Press in Salem advised this morning.

But Mrs. Edward C. Kelly, chairman of the county central

committee, said today that a number of candidates for county posts, and others who may become candidates will be present. A few announcements of intention to seek election are expected at the meeting, she said.

The session will be at 3 p.m. Saturday at the Medford YMCA.

## Phoenix Community Club To Resume Work

Phoenix, Feb. 23.—Phoenix Community club and Youth center plans to start work again on the foundation of the new clubhouse, with work to begin Saturday, February 25, if weather permits.

The footing has already been poured and carpenters are needed to help in building the foundation forms, with other necessary work still to be done, according to the committee, and all who can donate time on Saturdays are asked to sign up at the Phoenix Hardware store, indicating the time they will give.

Those in charge are hopeful that considerable work can be accomplished before spring gardening and farming begins, and also wish to finish the building if possible in time for the annual May festival.
