Green's Loses Cagers Game at Grants Pass

Fleischman's Lumber company team, Grants Pass, will represent this AAU district in the state AAU championship basketball tournament opening at McMinnville Saturday evening.

The Grants Pass quintet won the honor last night by edging Green's confectionery team, of Medford, 64 to 59 after leading 31 to 26 at the half pause.

It was believed that the Grants Pass team will meet Portland Outdoor store, last year's state AAU champions, in the 6 p.m.

Rangers, Toronto Win Hockey Tilts

The New York Rangers, playing at the peak of their game and with goalie Chuck Rayner in his personal best form, had high hopes of taking over third place in the National Hockey league tonight.

In games this evening, the Rangers, who trail third-place Montreal by just one point, take on the last-place Black Hawks in Chicago. And Montreal will be facing first-place Detroit in Montreal.

The Rangers' prospects haven't been brighter in years as they now ride a seven-game unbeaten streak. Rayner has six shutouts to his credit this season, including a 3 to 0 whitewash job on the same Hawks in New York last night.

In the only other NHL game last night, the Toronto Maple Leafs moved within six points of first place by beating Boston 3 to 1.

Eighteen Bevos Report For Spring Training

Riverside, Cal., Feb. 23—(U.P.) Manager Bill Sweeney scheduled more loosening up exercises and running workouts for his Portland Bevs today.

An 18-man contingent reported for opening day drills yesterday. All were pitchers or catchers except first baseman Vince Shupe.

game at the McMinnville armory on Saturday.

Riggs Scores 20 Points

Barney Riggs did just about everything but win the game for the confectionerymen last night on the Grants Pass high floor as he poured 20 points into the basket to lead both teams in individual scoring. M. O. Busack of the local quintet got 12 points for next high local man.

Thirteen of Riggs' points were made in the left half when the confectionery rallied to try and win the game.

It was a rough game with 32 fouls called against the Grants Pass team and 20 against Green's according to the local scorebook. Green's converted 20 out of its free throws while Fleischman's made 11 out of its 20 tries.

However, the Medford quintet made 14 out of its 20 free throws in the last half.

Three Too Many

Green's players commented after the game that playing three cage tilts in as many days was just too much for them and the superior height of the Fleischman quiet also counted heavily in its favor. The Grants Pass team led most of the way in the game.

Heater got 13, Martindale 12 and Bertram 13 points as Grants Pass leaders.

Lineups:
Fleischman 64 59 Green's
Heater 13 4 Ross
Martindale 12 5 Robertson
Bertram 13 12 Busack
Reese 6 9 Werner
Schrimpe 8 20 Riggs
Substitutions—G. T. Meissner 5, Russell 2, Morris 2, Boyce 4, Mull 1, Green's, Smith 2, Palmer 7.

Local Baseball Team Nickname Undergoes Change To 'Rogues'

Change the name of the Medford baseball team in the class D Far West league again, fans.

Now directors of Rogue Valley Baseball, Inc., have decided to nickname the pro club the "Rogues." Earlier this week it was decided to nickname the club the "Larks" after the Meadowlark, state bird for Oregon, and last season they were known as the Nuggets.

Business Manager Mel Carpenter said that the latest change was made when it was learned a team in the valley had decided not to be known as the Rogues. He explained the directors had talked of "Rogues" but decided against it when another team chose the name.

Pennsylvania Resident Solves Lack Of Coal

Pittsburgh (U.P.)—At least one western Pennsylvanian isn't worrying about any coal shortage. He has developed a fuel which will stretch about two tons of coal through an entire winter.

Stanley Couslin, a 46-year-old construction worker, just burns the ashes over and over. He saturates them in crankcase oil donated by a friendly filling station operator. Every now and then, he adds a few lumps of fresh coal "to give the mixture a little body."

In nearly three months, he has used only a few bushels of real coal.
