## Methodist Church To Open Financial Drive To Raise Money For Building

A financial crusade for \$80,000 began last night at the First Methodist church according to Rev. Meredith A. Groves, pastor. Crusade Director John Henry Soltman of the Methodist board of church extension of Philadelphia met with the crusade committee headed by Dr. J. S. Heathington. Plans and program of visitation were outlined. It was decided that the crusade is to be a preaching mission and that there is to be no solicitation of money in any public service. All giving is to be voluntary and there will be no undue persuasion or high pressure. The opening service of the mission will be on Sunday at 11 a. m., when the director preaches on the theme, "The Magic Carpet." He asked all workers and officials to meet in the church tonight at 7:30 o'clock. The church at 6:30 p. m. the director will show a travelogue of color film to the youth fellowship groups. The subject is "God's Bib Beautiful World." Purpose of the crusade is erection of a much needed two-story addition to the church school temple which will measure 60x80 feet and will adjoin on Mistletoe street the present property located at West Main and Laurel.

## Presbyterians To Lose Rev. Hansen, Church Work Told

The Rev. Harry Hansen, minister of the First Presbyterian church, will conclude his services with the Medford congregation Sunday, it was disclosed today. He and Mrs. Hansen plan to leave Medford early next week to accept the call of the Trinity Presbyterian church of Santa Cruz, Cal. Mr. Hansen said he expects to begin his work there in mid-March. No successor has been named here. The Hansens came here seven and one-half years ago from Holdrege, Neb. During his tenure the Rev. Hansen has served as president of the Medford Ministerial association. He has been a member of the YMCA board of directors and the Kiwanis club. Church records reveal that during his pastorate, church membership in the local congregation has more than doubled and today exceeds 700. Attendance and enrollment in the Sunday school has shown a steady increase until today the enrollment of almost 600 triples the record seven years ago. Expansion in the department of youth work in the church is also evident, and a full time youth director was added to the church staff several years ago. The Medford church now shares in the support of three foreign missionaries—Miss Edna Marguerita Sandilands, India; and the Rev. and Mrs. Dick Cochran, Iraq—showing growth of missionary interest in financial support of the missionary program. Debt Cleared Several years ago the congregation cleared the church building of all indebtedness. During that time an amount almost equivalent to the debt was expended on improvements and equipment. A church manse and lot, also free of debt, has been added to the church property. In addition, a greatly increased annual budget indicate the financial progress. Of particular interest to the church is the advance in benevolence giving from \$500 to more than \$8,000 annually. Services Sunday will include the Sunday school sessions at 9:45 a. m., worship and communion at 11 a. m. Candidates for membership will be received Sunday. A brief congregational meeting will be held at the close of morning services. Leaders for the youth meetings at 6:30 p. m. are Mrs. John Benson, young adults, and Miss Donna Witter, high school. The 7:30 o'clock Sunday evening hour will conclude the day's services. A committee of young people headed by Mrs. Lyle Sams assisted by Donna Witter and Sallye Edge are planning the social hour and refreshments which follow.

## Rev. G. O. Baker To Leave Medford; Honored At Dinner

Rev. and Mrs. G. O. Baker, pastors of the local Assembly of God church will conclude their pastoral duties Sunday. It was five years and six months ago that Bakers arrived in Medford to start their work. They reported they found a fine group of people that were willing to work with them, which made it possible for the congregation to make a continuous growth during their stay while here. The church had a fellowship dinner in honor of the pastors with the dining room of the Presbyterian church filled with friends. At the conclusion of a musical program, Clarence Aree, acting master of ceremonies, expressed in behalf of the assembly the appreciation for the good work done by Rev. and Mrs. Baker. He presented the Bakers with a box with a George Washington hatchet attached. Box after box was removed and finally dozens of pictures of George Washington were found pinned very carefully to a yellow streamer that reached across the platform. Bakers Give Thanks The evening was closed with prayer by Sunday School Superintendent Alfred Bendickson. Rev. and Mrs. Baker have expressed themselves as having enjoyed living in Medford and wished to thank friends that have made their stay here a very pleasant one. Everyone is invited to their farewell services Sunday at the local Assembly of God.

## Foursquare Church To Hear Prophetic Sermon Sunday Night Service

Because of the interest in the prophetic sermon, "The World's Saturday Night" last Sunday at the Foursquare church, the pastor, Rev. Harry J. Hansen will bring a prophetic message, "No Place to Hide", next Sunday. The minister told last Sunday how the Bible mentions the atomic and hydrogen bombs, using as a text, second Peter: "But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise and the elements shall melt with fervent heat. The earth also and the works that are therein shall be burned up." The minister will point out to his audience this Sunday the importance of being a Christian in the event of an atomic and hydrogen war. All interested in the prophetic word are invited to attend.

**"You can't make a bad cup of M.J.B."**

Good news gets around. 43% of all M.J.B. users first tried it because friends and neighbors recommended it.

If your family is "coffee critical" make it easy on yourself. Switch to M.J.B. and serve coffee that's so good it's guaranteed to satisfy. Make it any way they like... mild, strong, in-between... use drip or regular grind... and this we promise: "You can't make a bad cup of M.J.B."

Accurate roasting is one of the secrets of M.J.B.'s success. An "individual bean roasting process" brings out extra flavor, extra aroma and gives you more all-round coffee goodness for your money. Maximum vacuum pack makes sure this famous coffee reaches you at its best. As thousands agree: "You can't make a bad cup of M.J.B."

So good we guarantee you'll like it. You can't make a bad cup of M.J.B.
