

Broadway Stage Play Coming To Medford Friday

The second Broadway stage play to be brought to Medford this season will be shown in the senior high school auditorium Friday, March 3, with a professional New York cast under the auspices of the Civic Drama Guild and the Medford 20-30 club.

Friday's production will be the late Avery Hopwood's "Fair and Warmer," called one of the most deft and entertaining comedies to hit Broadway in many years. The play is concerned mainly with a husband who has a weakness for periodic visits to a "mystic shrine" and a wife who believes him. For added interest, there is also a wife who pays regular visits to a "woman's club" and she has a husband who believes her.

One More Coming

The first play in this season's 20-30 club series was the period drama, "The Heiress." The menu of outstanding theater fare for Medford play-goers will be completed April 22 when the drama guild brings "Peg o' My Heart" to the local auditorium.

Reserved seat tickets may be purchased for the two remaining plays by sending a check or money order to the 20-30 club, box 1161, Medford. General admission seats will be placed on sale for the first time for "Fair and Warmer."

Bill Lawrence, general chairman of the productions, said proceeds from the plays will go into the 20-30 club's fund for public service projects.

Savings Bond Drive To Start May 15

The 1950 United States savings bond campaign, to be known as the Independence drive, will get under way May 15 and run through July 4. Secretary of the Treasury John W. Snyder announced Saturday. The Liberty bell is the campaign symbol, and "Save for Your Independence" is the slogan.

"Ever since the inception of the savings bond program," Secretary Snyder said, "it has been recognized as a strong force for the preservation and development of our free enterprise system."

E. C. Sammons, chairman of the Oregon state drive, says he believes this state will better its record for 1949 when the assigned quota was exceeded by about 10 per cent.

Parents Of Juniors To Discuss Plans

The parents of Bliss Heine's Juniors will hold their regular monthly meeting Wednesday at 8 p.m. in the Eagles auxiliary hall at 217 West Main street. Business matters and plans for the summer will be discussed. It is important that a large attendance be present, Heine said.

The Juniors are now booked for several programs and parades several months ahead. Last week Gerald Funk was promoted to the rank of sergeant in the mascot section. The membership is now approximately 200.

Because of a large number of requests it has been decided to accept members from Josephine county to the north and Siskiyou county in California.

The Juniors now have a demand for 100 tons of newspapers and now can also use wrapping paper. Only these two kinds are wanted. They may be left on the front porch at 918 West 10th street.

BOSSIE RESCUED

Luray, Va.—(U.P.)—Volunteer cowboys lassoed Bossie, Amos Dofflemeyer's prize Guernsey, when she fell into a 20-foot abandoned silo near here. They held her afloat until a canvas was slipped under her and she was pulled out.

Injunction Sought To Nullify Ordinance

A suit seeking an injunction against the city of Ashland, to restrain it from enforcing a recently-passed zoning ordinance, was filed in the county clerk's office here yesterday morning.

The suit, brought by Harry G. and Clara Hillberry and Carl V. Grossman, was addressed to the mayor and council of Ashland, and is intended to prevent rezoning for business uses a section of the north side of Siskiyou boulevard half a block west of Palm avenue.

The rezoning ordinance was passed at the request of Irving Nelson, Ashland, who plans to construct a self-service laundry there. The proposal had been opposed at last Tuesday's Ashland city council meeting by representatives of property owners in the area.

The suit alleges that the ordinance is "spot zoning," and that any rezoning should have prior approval of the planning commission.
