ELECTRICAL APPLIANCES

Outstanding for 1950

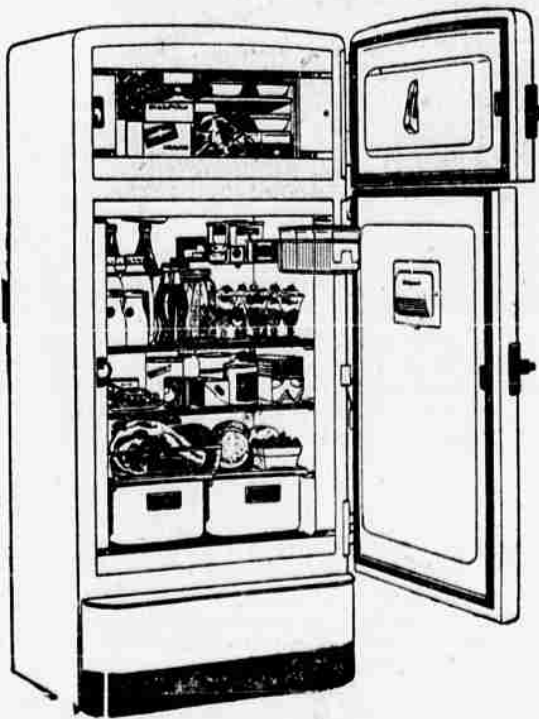

WE are particularly pleased to offer to patrons of this long-established firm the fine new HOT-POINT line of electrical appliances for 1950 ... pleased because HOTPOINT is such an outstanding name in the appliance field ... pleased because this new representation is in keeping with Trowbridge & Flynn's old and well-known policy of offering only the BEST — backed by thoroughly dependable service. We cordially invite you to drop in and see what HOTPOINT—and we—have to offer for this season.
