WELL BABY CONFERENCE  
First well-baby conference for Medford will be held Thursday, March 2 from 1 to 4 p.m. at Sparrow Memorial clinic in the health clinic at the courthouse.

Study Of Water Rates Postponed By Council  
Ashland, Feb. 28.—A special council meeting which was to be held today to study proposed revisions in Ashland's water rates has been postponed, according to City Recorder J. B. Austin.

Portland Market To Provide Music For Its Shoppers  
Portland, Ore., Feb. 28.—(U.P.)—Like music while you shop? Donald W. Green Jr., president of Point-to-Point, incorporated, and Stanley Goad, general manager of Broadcasters Oregon, Ltd., owner of radio station KPXM, Portland, announced today that music will be broadcast in some 75 super grocery markets in Portland, Vancouver, Wash., and Salem beginning May 1.

Green and Stanley said they have an agreement under which each of the markets will be equipped with FM radio receivers and loud speakers to receive KPXM's music broadcasts. These will be interrupted at intervals by brief shopping suggestions.

McLeod  
McLeod, Feb. 28.—Some neighbors got together February 24 and called on Dorothy Hume at her home, where she is confined with eye trouble. Those calling were Mrs. Pearl Adair, Marion Larson, Agnes Berry, Marge and Eda Torrance and Carrie Harding.

Mr. and Mrs. Ray Prichard entertained Mr. and Mrs. Henspeter and Mr. and Mrs. La Mance at dinner at their home Thursday evening, February 23.

Mr. and Mrs. Fred Shere and Mr. and Mrs. Larry Lawrence have gone to Portland on business.

Mr. and Mrs. Harry Harding Sr. are spending a week in Roseburg visiting relatives.

Attending the pinocle party at the Prichard home Saturday evening were Mr. and Mrs. Bob Alworth, Mr. and Mrs. Dean Tate and Mr. and Mrs. Glenn Anderson.

Upper Rogue Grange is having a hard time dance in their hall March 11 and a square dance March 5.

All members and their wives of Upper Rogue River association are having a dinner party, Monday evening, March 6, at Rogue River lodge.

Mr. and Mrs. Wyles Berry entertained with a dinner party on February 21 at their home on Rogue river. Present were Mr. and Mrs. Ronald Axtell, Mr. and Mrs. John Dunlap and Mr. and Mrs. Frank Dolenccheck.

# Sports for the Week

**TUESDAY**  
Central Point high at Eagle Point (conference-district-JDJ); prelim, 6:45 p. m.—Medford high at Illinois Valley (Cave Junction); prelim, 6:45 p. m. (conference-district)—Ladies' Bowling league, 8 p. m.—Pistol division, Medford Rifle club shoot, Merrick's, 7:30 p. m.—Oregon college at Southern Oregon college (basketball), 8:15 p. m.—SOC invitational basketball tournament opens, SOC gym, 6 p. m.

**WEDNESDAY**  
SOC invitational basketball tournament at 8:45 a. m.—Medford Rifle club weekly shoot, Merrick's, 7:30 p. m.—District class B basketball playoff (Rogue River entered), Klamath high gym, 8:30 p. m.—Commercial Bowling league, 7:30 p. m.—Oregon college at Southern Oregon college (basketball), 8:15 p. m.—Church Basketball league championship playoffs open, YMCA gym, 7 p. m.

**Thursday**  
Miss Swaine presented a special award to the 20-30 club of Medford for outstanding work on behalf of safety, and for the safety council. The award, accepted by 20-30 Club President Ed Nave, was in recognition of work which included preparing "Safety Salutes" for use at school crossings, and bells and equipment for schoolboy patrolmen.

Traffic Sgt. Clyde Fichtner, in telling of the work done by "his boys," also revealed that a new patrol will be formed soon at St. Mary's academy.

**Healy Speaks**  
William Healy, assistant secretary of state, was principal speaker at the dinner, and said that Medford's Safety council was one of the few active ones in the state. He gave statistics of traffic accidents and fatalities, pointing out that 1949 was the third consecutive year in which traffic deaths in Oregon had declined, despite huge increases in automobile registration.

He also discussed the safety program of the secretary of state's office, and the work that is being done with "accident prone" drivers and drunk driving repeaters.

Dinners for the schoolboy patrolmen were sponsored by various Medford service clubs.

# School Patrolmen Honored By Local Safety Council

More than 100 of the city's schoolboy patrolmen, youngsters who guard younger schoolmates at street crossings, were honored by the Medford Safety Council at an award dinner meeting held at the Jackson hotel last night.

The scrubbed and combed youngsters were on their best behavior at the dinner and they repeated their impressive pledge as schoolboy patrolmen. The only casualties were to the biscuits they consumed in great quantities following the dinner.

**History Given**  
Frank Hull Jr., one of the organizers of the safety council in 1946, gave a brief history of the organization, pointing out that in 1947, one year after the group was organized, Medford won a non-fatal accident safety award.

Hull also introduced officers of the council, who he said have worked "long and diligently" to make a success of the local safety program. Officers include Hazel Swaine, chairman; Robert Rucker, co-chairman; Mrs. Mildred Hart, secretary; and Chan Drew, treasurer.

**20-30 Club Honored**  
Miss Swaine presented a special award to the 20-30 club of Medford for outstanding work on behalf of safety, and for the safety council. The award, accepted by 20-30 Club President Ed Nave, was in recognition of work which included preparing "Safety Salutes" for use at school crossings, and bells and equipment for schoolboy patrolmen.

Traffic Sgt. Clyde Fichtner, in telling of the work done by "his boys," also revealed that a new patrol will be formed soon at St. Mary's academy.

# Time Said Not Right To Bring U. S. Citizens To Date On Atom Weapons

Washington, Feb. 28.—(U.P.)—Many people in the government would like to bring the American people up to date on atomic weapons—including the H-bomb.

But those in control of such matters do not believe that it is safe or feasible to do this under present conditions.

The public, it is generally agreed, needs more information than it has for intelligent civilian defense planning and for passing judgment on administration atomic policies.

**Possess Knowledge**  
In any case, the Russians already have an A-bomb. They also possess basic scientific knowledge about hydrogen bombs.

So, the argument runs, why not tell Americans at least as much as the Russians know? It could be done, perhaps, by bringing up to date the wartime Smyth report on atomic weapons. Or, as nuclear physicist Ralph E. Lapp recently proposed, by issuing an official but non-technical "prospectus of H-bomb effects."

But an official said today, who in this country knows precisely what the Russians know, either about the finer points of A-bomb production or about the practical business of making the more powerful hydrogen bomb?

So the considered policy is not to take a chance of letting out any detail however small, that might help the Russians.

**Two Facts**  
Two facts of political life also argue against any marked relaxation of atomic secrecy this year.

1. The confession in London by Dr. Klaus Fuchs that he kept the Russians continuously informed during the war about atomic developments in this country.

2. The forthcoming congressional campaign.

"The Fuchs betrayal could become campaign material," one authority said. "Anyhow, a lot of the fellows in congress want the stable 1 o c k s strengthened even if some of the horses have been stolen."

As of now, atomic secrecy never was tighter. Hardly any scientists who ever had anything to do with the government will even say "hydrogen bomb." One of them refers to it only as "This H-thing."

**Law Explicit**  
The atomic law is explicit and tough on the subject of giving out atomic information. The atomic energy commission has authority to take out of the se-

# Thomas Ca' British Election Results Plug For Social Program

Portland, Ore., Feb. 28.—(U.P.) Norman Thomas, the American socialist party's chief spokesman, last night termed the outcome of Britain's elections "an achievement for socialism because Winston Churchill was forced to embrace social welfare programs in his campaign, far to the left of President Truman."

Thomas spoke on a 15-minute radio broadcast.

He thought the most significant feature of socialist dominance in Britain was a "friendly settlement" with India which he believed would have been impossible under Churchill.

# Portland Changeover To One-Way Traffic Said 'Great Success'

Portland, Ore., Feb. 28.—(U.P.) Portlanders went to their shops and markets yesterday without serious delays as a new downtown system of one-way traffic routing went into effect.

Police and engineers said the changeover was a "great success."

Only two automobile accidents were reported in the one-way area but both were minor.

The Portland traffic bureau said that when new signal lights go in at intersections now without automatic controls the new system would "work like a dream."

suddenly I realized they meant **ME!**

What do I need with a Safe Deposit Box, I said to myself when I saw the sign card in the bank. But then I took a second look at the list of items people *should* keep in Safe Deposit Boxes. Suddenly I realized I had both keepsakes and important papers not protected from fire or theft. Losing them could be *mighty* inconvenient and maybe costly. Then and there I rented a safe deposit box at the First National. Now my important things are in a place that's safe and private... costs me little more than a penny a day.
