SPRING *Opening*

We greet the most colorful . . . the most refreshing season of the year — Spring! Everywhere about us flowers are budding . . . leaves are making their fresh, cooling appearance . . . birds are singing their welcome to the verdant season. In keeping with the pleasing signs of Spring our shelves are stocked with bright new apparel for you. We invite you to come in—join in our Spring mood with choices from our large new selections.

tailored by
Handmachers
