

Sen. Wayne Morse Sets Appearance Here This Week

United States Sen. Wayne L. Morse, Eugene, will arrive here tomorrow for a series of radio and personal appearances Monday and Tuesday before going on to fill other engagements in Grants Pass and Klamath Falls.

His principal public appearance will be at 8 p.m. Tuesday, at the Medford senior high school gymnasium, where he will speak under the auspices of Jackson County Republican Women. Title to his talk has not been announced, but it is understood that it will be political in nature.

O and A Broadcast
Another highlight of his visit will be a "question and answer" radio broadcast over radio station KYJC, similar to the one he made last fall in Eugene, which drew nationwide comment. For one hour, 4 to 5 p.m. Tuesday, Morse will be at a KYJC microphone and will answer questions phoned in by listeners, or as many of them as he has time for.

Monday noon the senator will speak at a meeting of the Ashland Kiwanis club, and at 2:30 p.m. will address a Southern Oregon college assembly. At 6:30 p.m. he will be the guest speaker at the quarterly stag dinner of the Jackson County Chamber of Commerce at the Rogue Valley Country club. This dinner is open to all men, and a few tickets still are available at the chamber of commerce office. His talk to the chamber will be "non-political" in nature, and will concern congressional legislation now pending.

Tuesday noon he will speak at a meeting of the Medford Rotary club, and at 2 p.m. will visit the Jacksonville high school before the radio broadcast.

James Dunlevy, KYJC manager, invited all who wish to telephone the station at 2-5277 or 2-5278 during the broadcast to present questions for Senator Morse to discuss. Questions will be received as long as time remains in which to answer them, Dunlevy said.

Red Cross Leader Says Organization Largely Volunteer

Outlining the volunteer services in the Jackson county chapter in connection with the 1950 American Red Cross fund drive, Mrs. Frank Fairweather, chapter publicity chairman for the campaign, brought out that the Red Cross is essentially a volunteer organization.

There are eight special volunteer services actively functioning in the Jackson county chapter, not including the Junior Red Cross, she reported yesterday. All are headed by volunteer chairmen and staffed with workers who carry on the work of the chapter under direction of a paid administrator.

11,000 Hours Given
According to Mrs. Fairweather, a trained volunteer in the county last year gave an aggregate of 11,000 hours. At the minimum wage scale these workers contributed approximately \$8,000 in time.

In order to maintain these volunteer services a central office, adequately staffed, is required as well as telephone, gasoline and maintenance for chapter cars, material for production and emergency relief for unpredictable disaster.

The volunteers trained for specific chapter services, do not include all persons who give their time gratis to the Red Cross.

Businessmen Helpers
Businessmen who serve as chapter chairmen, the members of the board of directors, the chapter officers, persons who solicit from door to door and others who assist when emergency arises, the many who come forward to help, provide free aid without which the Red Cross could not function, she explained.

The program is so vast that its workers are legion and its efforts are stopped only when the budget ceases to be adequate, Mrs. Fairweather declared.

She stressed that the voluntary effort in behalf of one's neighbors strengthens the fibers of democracy. "The effectiveness of the Red Cross depends upon having enough trained volunteers in the organization," Mrs. Fairweather stated, quoting General George Marshall.

Survivors include John, Fred, Henry and Carl Schneider, half-brothers, and several nephews. Other members of the large family preceded him in death.
