Retrievers Trial Opens Friday K.F.

A three-day licensed American Kennel club retriever trial will be held Friday, Saturday and Sunday at the Kerns ranch, 7 1/2 miles west of Klamath Falls off the Keno road, officials of the Shasta Cascade Retriever club announced here today.

At least 110 retrievers are expected to take part in the trial sponsored by the Shasta club with three of the dogs from Medford. Local dogs in the junior event will include those owned by Ed Olson, Ernie Childreth and H. P. Nelson of the Rogue Valley Retriever club.

Other retrievers expected to enter are Brignall's Gringo, national field champion. Other field champions will include Rip of Wake, Nalarkey's O'Ranigan Pat and Rip of Holly Hill.

The event Friday will consist of junior competition with Saturday devoted to non-winners events and Sunday will come the open all-age event. No starting times were listed.

Portland Beavers Lose To Hollywood, 8 To 6

Riverside, Cal., Mar. 16—(U.P.) Manager Bill Swenney was due to call a stiff hurling drill today after watching two of his Portland moundmen surrender 15 hits to the Hollywood Stars in a practice tussle yesterday.

The Stars downed the Beavers 8 to 6 as First Baseman Jack Paepke clouted a pair of homers. Portland got eight hits in the third for five tallies, forcing Hollywood to rally in the seventh and eighth for the win.

Lakers Assured Pro Cagers Tie

The Minneapolis Lakers today were assured of at least a tie for first place in the central division of the National Basketball association.

The Lakers closed out their home season last night with an easy 96 to 62 victory over the Baltimore Bullets. George Mikan led the way with 34 points.

It was the Lakers' 30th straight home court victory of the season. In fact, the Lakers lost only once in 34 appearances before their home fans all season.

Minneapolis needs a victory in its final game of the season at Fort Wayne Sunday night to capture the central division pennant from the Rochester Royals.

Census Enumerators Still Needed In Area

The bureau of the census still needs personnel in this area to work as enumerators in the 1950 census. Although examinations were conducted in Medford last week to select 55 census-takers, the district office of the bureau in Eugene today issued a request for still more applicants. To qualify they should be 21 to 65, a high school graduate or have a working equivalent, a United States citizen, and have a car at their disposal.

Enumerators will attend a training session the week of March 27 and will do their actual counting for the record from April 1 to April 21. They are to be paid on a piece-price basis, that is so much per name and house. The bureau believes an

average enumerator should be able to earn about \$8 per day. They will also be paid while learning.

Persons interested in applying for an enumerator's job in this area should write the district office, bureau of the census, at Room 205, armory building, Eugene.
