Range Discussions Held With Foresters

Three more meetings of cattle associations using grazing lands in Rogue River national forest were held this week with forest service personnel to discuss range reseeding and improvement problems and to elect officers.

Wednesday the Summit Prairie association met at Butte Falls to re-elect William Bigham president, and Ted Fredenburg secretary-treasurer. The association also adopted a resolution opposing a proposal by the Butte Falls Rod and Gun club to stock forest lands in that area with elk.

On Thursday forest service officials met with the Fish lake association, which is not formally organized, and with the Big Butte association. The Big Butte group named Herman Meyer president and Gordon Stanley secretary-treasurer.

Ranger M. L. Tedrow said there are about 15 cattle associations whose members hold grazing permits in the national forest. The next annual meetings for other groups will be held in about a week.
