\$26,500
Yes, that is truly a lot of money,
but if you will give us the opportunity
to show this place to you in
order that you can see for yourself
227 acres of some very fine,
free, bottom soil which will really
produce, having lots of free irrigation
and a very nice modern 3-
room home and then compare the
possibilities of this place with
that of other places selling for
more money, we sincerely believe
that it will prove to be of vital
importance to you. The owner is
