## Lowry Purchases Naumes' Interest In Packing Firm

Change of ownership in the Associated Fruit company was announced today. J. P. Naumes has retired from the company having sold his interest in the partnership to David B. Lowry. The Associated Fruit company has a pear packing plant at Phoenix, and operates a peach packing and sales operation at 619 South Grape street, where the general office is located. "Mr. Naumes and I have operated the Associated Fruit company upon the basis of a quality product that would bring the fruit grower a premium return," Lowry said in announcing the transaction. "I feel this policy is more important than ever before in the face of declining prices of agricultural products. He said, "and while we intend to pass on to the grower any savings we can accomplish by reduced overhead, better equipment and packing methods, we will not sacrifice quality for cheap packing, in the best interest of our growers."

**One Of Largest**—"Associated Fruit company is one of the largest packers of peaches in the Medford district. In the past years they have shipped Hale peaches to points as far distant as Hawaii and Alaska, as well as the eastern United States. I believe we can continue to develop a fine stone fruit horticulture in the Rogue River valley if we concentrate on careful growing, better packing and distribution," Lowry stated.

While J. P. Naumes is retired from the packing business, he will continue to operate his orchard holdings.
