Retriever Dogs Judged

Brignall's Gringo, owned and handled by Cliff Brignall, Long Beach, Cal., continued success in the Oregon retriever trial circuit yesterday by capturing the open all-age title of the Rogue Valley Retriever club AKC sanctioned trials at Table Rock estates.

Gringo, a black labrador, national champ in 1948, performed in an exhibition for the large crowd that gathered from all over southern Oregon.

The trials opened Saturday with Boar Ranch Loyal Jet, owned and handled by Wilfred Shere, Ashland, nabbing the junior stakes. Judges for the trials were Dr. George Massey, Klamath Falls, and Alfred Schmidt, Portland. Trophies were donated by Pacific Feed and Seed, open all-age; Dr. S. E. Phillips, non-winners, and Crater Lake lodge, International Association of Machinists, junior stakes.

In the open all-age Montgomery's Sal, owned and handled by L. P. Montgomery, Klamath Falls, was second.

Non-winners certificates of merit went to Jibidaj Jade, owned by Jack Henry and handled by Montgomery, both of Klamath Falls; Tuffy, owned by Paul Henry, Los Angeles, and handled by Brignall, and Boar Ranch Whitmore Boy, owned and handled by H. P. Nelson.

Stojack to Tangle With Leo Wallick

Frank Stojack, the Tacoma airplane spin artist, today notified Promoter Mack Lillard that he would meet Leo Wallick in the feature match of Thursday night's triple main event card. All matches will be for 45 minutes or two out of three falls.

Stojack over the week-end was reluctant to face the rough and tough Wisconsin pile driving expert but today had changed his mind.

"If I can get him on my shoulders, he won't come back for more," said Stojack, referring to his airplane spin.

Lillard should turn 'em away at the gate with the card he has arranged. The middle tangle will pit the good looking and popular Arne Skaaland, young Norwegian finish, against barrel-chested Charley Carr, of Shreveport, La. Skaaland's aggressive style won a lot of friends in his only appearance here in December.

Dory Detton of Salt Lake will make his second appearance here in the opener, which starts at 8:30 p.m., when he goes against a newcomer, John Tavick.

Syracuse Awaits Playoff Results

Syracuse, N. Y., Apr. 3—(U.P.)—The Syracuse Nationals, experts at making baskets and bucks, will collect \$3,000 this week for standing by while the Minneapolis Lakers and Anderson Packers decide who will fill the other spot in the National Basketball association playoff finals.

Syracuse won the eastern division playoff title last night by beating the New York Knickerbockers, 91 to 80. The Nationals won the series, 2 games to 1, and boosted their post-season earnings to \$7,500.

The Nationals collected \$2,500 for finishing first in the eastern divisions regular season, another \$2,500 for eliminating Philadelphia in the division's semi-final playoffs, and the same amount for beating the Knickerbockers. They get \$3,000 for doing nothing this week because they had the best overall regular season record in the league and draw the honor of standing by while Minneapolis, the central division playoff winner, clashes with Anderson, the western division winner, for the other championship playoff position.

'Dutch' Harrison Wins Azalea Open

Wilmetton, N. C., Apr. 3—(U.P.)—E. J. (Dutch) Harrison, the old pro from St. Andrews, Ill., doesn't just swear at a golf ball when it stops behind a tree.

From there, he hops it down 15 feet from the pin and shoots a par for the 403-yard hole. That's how Harrison played the last hole of the \$10,000 Azalea open tournament yesterday and it was a sample of the fast finish which won him the \$2,000 first money.

Harrison shot two birdies on the final nine, one on the 12th and another on the 14th, to break out of a tie with George Fazio of Washington, D. C. Those two holes made the difference. The Illinois veteran won by two strokes, posting a one-under-par 71 for the final round. He finished with a 280 against Fazio's 282, but it was his recovery shot from behind that tree on the final hole that thrilled the fans.

Coast League Ends First Week of Play

San Francisco, Apr. 3—(U.P.)—It was a worrisome week in the Pacific Coast League. First, everyone but the batboy was hitting and then no one could.

Rules about balks and bonuses brought frowns and to further the confusion, last year's champions, the Hollywood Stars, and cellar-gang Los Angeles, were tied for top space, each winning five and losing two.

Hollywood divided Sunday's double header with Portland, winning the opener, 8 to 7, but dropping the nightcap, 3 to 4, while the Angels won both their tilts with Sacramento, 4 to 3 and 6 to 4.

Meanwhile Seattle and San Diego settled for a split on their series with Oakland and San Francisco respectively, with the Rainiers and the Padres taking four of the seven contests.

Seattle defeated the Acorns Sunday in the first game, 12 to 9, and dropped the second, 2 to 4. The Seals lost to San Diego, 5 to 6, in the first game, winning the second 7 to 3.

Outfielder Luis Marques and Mickey Rocco banged homers for Portland in their top game with Hollywood's "Whistle-boys" who were, for the second day, garbed in their revolutionary above-the-knee shorts. Marques starred again the second with an inspired catch of Mike Sandlock's 200-foot hit. The Beavers took that one, but dropped the first.

Paul Pettit Finds Form In Practice

New Orleans, Apr. 3—(U.P.)—Paul Pettit is beginning to indicate that the Pittsburgh Pirates got a toehold in a big baseball future when they lightened their safe by \$100,000 this spring to buy his services.

The big, 18-year-old California left-bander finally warmed up yesterday, and shared with Bob Purkey a 1-0, no-hit New Orleans exhibition win over the Nashville Vols.

Sets High Standard

Purkey set a high standard in the first four innings. He issued only three scattered walks, and slapped a second inning single that drove in the game's only run. Purkey, who last season pitched for Davenport, Iowa, had a beautiful curve working, and Nashville batters felt more hopeful when fast-ball Pettit came on in the fifth. They shouldn't have.

It was the third time Pettit had appeared in a professional baseball game. In his first start for New Orleans on March 25, against Indianapolis, he dished out one run, four hits and three bases on balls in three innings. The pirates gulped, and praised his "poise."

Last week against Atlanta, Pettit in three innings allowed three hits and two bases on balls. But he struck out three and gave no runs. Yesterday the weather was neither too hot (his first exhibition worry) nor too cold (his second complaint) and powerful Paul started whipping them in. Through the fifth, sixth and seventh innings Nashville batters could perceive nothing at all to be hopeful about.

Then in the eighth, Pettit walked two men. He got one out, but had runners advanced to second and third. Pettit heaved a neat doubleplay ball, saw his infield carry the twin kill out, and walked peacefully to the dugout.
