Sorority Members Assist Seal Sale With Store Booth

An Easter Seal booth will be set up in Penny's department store on Wednesday, Friday and Saturday, April 5, 7 and 8, where those who did not receive their Easter Seals in the mails may secure them.

Announcement of the booth was made today by Mrs. Chester C. Peterson of Epsilon Sigma Alpha sorority, whose members are sponsoring the booth at Penny's.

In previous years many persons whose names do not appear for one reason or another on the mailing list have failed entirely to get their share of the colorful seals which symbolize the aid being given to local crippled children and adults by the Oregon Society for Crippled Children and Adults. Through the booth, the society hopes to make it possible for every citizen of Jackson county to make his contribution to the Easter Seal fund.

Mrs. Peterson pointed out that the more complete participation in work for the crippled becomes, the greater the service to the handicapped and the more effective the interest in solving their problems of health, social adjustment and economic independence.

The Easter Seal drive will continue through Easter Sunday, April 9. The drive is nation-wide, with 2,000 societies affiliated with the National Society for Crippled Children and Adults participating in every part of the country.
