

DANISH GYMNASTS SLATED—Here are four of the 16 young women who will take part in the program of rhythmic gymnastics, balance, folk dances, acrobatics, apparatus work and tumbling in the senior high gymnasium Tuesday, April 11, at 8 p.m. Sixteen young men in the famous Danish Gymnastics team will also perform.

Famous Gymnasts Here on Tuesday

A two-hour demonstration of grace, suppleness and balance will be presented Tuesday evening (April 11, in the senior high gymnasium when the famous Danish Gymnastics team appears in Medford, Athletics Director Lee Ragsdale said.

Proceeds from the show after expenses will go toward the high school athletic fund. The show will start at 8 p.m.

Sixteen young women and as many young men will take part in the exhibition of rhythmic and fundamental gymnastics, balancing, folk dances, acrobatics, apparatus and tumbling.

Olympic Champs Medford will be but one of several hundred cities in Canada and the United States in which the Danish young men and women will show their abilities this year. Two of them are 1940 Olympic champions and all were selected last summer on the basis of competitive trials.

Tumbling, for instance, resembles a new form of attempted suicide, or so it appeared to a New York Times writer who viewed the show last fall, said in his news article.

One phase of the demonstration consists of the men in the group to throw the young wom-

en across the floor at one another. This is done with such vigor that even jitterbug dancers become astounded at the act.

The men vary in age from 18 to 30 and the women are about in the same age range.

Gasps and often cheers are brought from the crowds that watch these Danish athletes perform. The men using the apparatus and doing the tumbling throw themselves at and over bucks, walk on their hands as though in a military drill and all with much grace.

The dances the men and women perform seem to be vigorous versions of a cross between the minut square dance and polka. Calisthenics are used as "warming up" exercises for tumbling and apparatus work.

The demonstration Tuesday night will be one of the few times such a group has performed in Medford.

Two High School Tilts Postponed

Two high school baseball games scheduled Friday and Saturday were postponed because of rain or wet grounds around this part of the valley. Date of one of them—Medford vs. Central Point—for its playoff was not set but may be played sometime this week.

The St. Mary's-Butte Falls baseball game slated Saturday was postponed when the Butte Falls field proved too muddy. It will be played on the Loggers' field Monday, April 17, at part of the county class B conference slate.

Medford's field Friday proved too wet for the Tornado-Pointers Southern Oregon conference clash. Date for this game was not announced by Coach Alex McDonald.

Ferrier Leading Masters Tourney

Augusta, Ga., Apr. 8.—(U.P.) Jim Ferrier held his lead precariously through the third round of the Masters' golf tournament today with a scattered score of 73, and the little man breathing down his neck was the comeback kid, Ben Hogan.
