Latvian Refugee Boy Provides Linguist

Atlanta—(U.P.)—A sturdy, blue-eyed lad from Latvia, aged nine, probably is one of the South's better linguists.

John Germanis speaks Polish, Lithuanian, German, a n. Latvian and English, "but I have just a little sorrow with fourth-grade arithmetic."

John came here last fall with his displaced family. At that time he could say hardly more than "yes" and "no" in English.

Today he speaks fluently, with little accent. He served as interpreter for his stepfather, Pieteris Smuklas, so well that the German-speaking laborer got a construction job.

Right now John is engrossed in teaching his three-year sister Maija English.

And he goes with his mother to market, he explains, "so she won't buy soap instead of steak."

New Hearing Device Has No Receiver Button In Ear

Chicago, Ill. — Deafened people are hailing a new device that gives them clear hearing without making them wear a receiver button in the ear.

They now enjoy songs, sermons, friendly companionship and business success with no self-conscious feeling that people are looking at any button hanging on their ear. With the new almost invisible Phantomold and Beltone you may free yourself not only from deafness, but from even the appearance of deafness. The makers of Beltone, Dept. 40, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement they will gladly send you their free brochure (in plain wrapper) and explain how you can test this amazing device in the privacy of your own home without risking a penny. Write Beltone today.

Opera Tenor Spending 30th Year in America

New York (U.P.)—Jussi Bjorling, tenor, is celebrating his 30th anniversary as a singer before the American public, in his transcontinental tours this season. The Metropolitan Opera tenor, who is 38, came here as a boy of eight with his two brothers and their father, and the four toured the country, giving concerts as the Bjoerling quartet.

Radio Patter by Pat

"The Man Who Was Not Humble" will be presented today at 2:30 p. m. over Station KYJC on The Greatest Story Ever Told. Here is a heartwarming Biblical story about a man's propensity for vanity, pride and selfishness. Michael, cured of his blindness, was at the same time astonished by the Master to "See that no man know it." The day after Michael's return home, however, he was no longer able to keep his miracle to himself. First he told his wife. Then, with each recounting of the story to the town's people, Michael gained more importance in his own eyes. After all, was not he the one upon whom the Master chose to bestow a miracle? He forgot completely the humble, halting ways of the blind. He forgot, too, his promise to help Simeon's widow and children. Not until tragedy befalls the widow does he lose his pomposity and begin to make amends.

There's a lilting melody of songs with a Parisian flavor coming up way today at 3:30 p. m. over Station KYJC and ABC on "Music With the Girls." Among the favorites you'll hear are "April in Paris," "Paris in the Spring," "The Last Time I Saw Paris," and the merry "Can-Can." One of the country's top ballads gets a special treatment as the girls play "It's So Nice To Have a Man Around the House." With this gay lineup of musical treats, you enjoy "Music With the Girls."

"The Secret of Success" will be the subject of Dr. Ernest S. Holmes' philosophical talk to be given on the "This Thing Called Life" program to be aired over Station KYJC and ABC's network Sunday at 4 p. m.

Blondie and Cora Dithers discover it's not the smartest idea in the world to let husbands select women's hats... during today's episode of "Blondie" over Station KYJC at 7 p. m.
