

Deer Receive Spring Tonic In This Area

Deer in southwestern Oregon are receiving a spring tonic of sulphurized and iodized salt. Game agents for the state game commission are packing the salt blocks into the high summer ranges by pickup truck and pack-board.

The salt should aid in correcting nutritional deficiencies experienced by the deer when they start on green food, stated Dave Luman, district game agent. Salting also induces earlier deer migration from winter ranges and frequently lures deer from areas where they are sponging off the farmer.

On crowded summer or winter ranges salting has aided in dispersing deer concentrations, continued Luman.

Forest Service Checked
The salt placement has been checked with the United States forest service so that it will not interfere with similar salting operations by stockmen on summer range allotments.

Though the winter was severe, Luman reports that the deer in this area came through in good shape. A winter game census has just been completed in Jackson, Josephine, Curry and Douglas counties and a careful check of winter kill reports in outlying areas turned up only a few dead deer.

22 Cross Plate One Inning After 2 Out

Portland, Ore., Apr. 27—(U.P.)—The girls playing for Our Lady of Sorrows softball team made a great rally in the bottom of the last inning to win 30-16 after scoring 22 runs after two were out.

But someone forgot about the rule that would have ended the contest in favor of the winners when the score reached 17-16.

Rogues Lose, 12 to 2; Jones To Hurl Tonight

Pittsburg, Cal., Apr. 27—(Special to Mail Tribune)—Lloyd Jones who did considerable mound duty for Medford last year, will be on the mound tonight when the Medford Rogues try for their first Far West League victory, a win over the Pittsburg Diamonds.

Last evening the Diamonds behind the fast-ball pitching of Gene Valentine, on option from Salem, Ore., of the Western International league, defeated Medford 12 to 2.

The hard-hitting team managed by Vince Dimaggio pounded out 14 hits off two Medford pitchers.

Lloyd Looks Fair
Valentine blazed his fast ball past eight Rogues players for strikeouts, walked four and allowed seven hits. Jack Lloyd for Medford looked good in spots, striking out seven but yielding nine hits before being relieved by Don Gersbach in the seventh inning.

The Rogues spoiled shutout for Valentine by bunting two walks, an error and a single by Third Baseman Bolen for two runs in the eighth inning.

Former Nuggets Change 'Clubs'
News of interest to valley baseball fans was made known this week in "The Sporting News" with the articles stating that two former Medford Nuggets players in the Far West league had been assigned to higher class club.

Milt Lindberg, the "newspaper bible" said, has been sold by Waco, Tex., of the class B Big State league, to Bartlesville, Okla., of the K.O.M. class D league.

Another ex-Nuggets outfielder, Bill Pinckard, has been sent by Hollywood of the class AAA Pacific Coast league to Billings, Mont., of the class C Pioneer league on option.

Larry Shepard, ex-Medford Dodgers player-manager, is welcoming Darold Meyers, catching partner of famous \$100,000 Paul Pettit, at Billings where Shepard now is manager.

57 Runs Cross Plate In Far West Openers

By United Press
If last night was an indication of things to come, the batters are going to have quite a time for themselves in the class D Far West Baseball league this season.

The league opened its season with all eight teams in action and before the night had ended a total of 57 runs crossed home plate. Three of the teams, Klamath, Pittsburg and Eugene, scored 12 or more runs in gaining victories.

Willows Winner
The closest contest of the night and also the best pitching was at Willows, where the local Cardinals defeated Redding's northern opening game, and the Pittsburg Diamonds, defending champions of the league, trounced Medford's Rogues, 12 to 8.

Gov. Earl Warren threw out the first ball at Marysville and then sat back and watched Klamath Fayls pound the home team, 14 to 3. Southpaw Andy Sierra was the hero for the visiting Gems as he gave up only six hits and got three hits in five times at bat.

Gov. Vail Pittman of Nevada braved a cold night to watch the Eugene Ore., Larks romp over the Reno Silver Sox, 12 to 6, in their opening game, and the Pittsburg Diamonds, defending champions of the league, trounced Medford's Rogues, 12 to 8.

Will you try the car that's ALWAYS ON THE LEVEL?

NOT all roads are boulevards, and not every street can always be level as a ballroom floor.

But if you think, sir, that there's nothing you can do about it—are you game to make a test that may prove you wrong?

All we want you to do is sample a Buick ride.

We want you to sit in this broad seat and aim your gun-sight ornament at the roughest stretch of road you know.

We want you to see how soft coil springs all around, not on front wheels alone, soak up those jars and jolts, fairly float you over cobbles,

railroad crossings and weather-pocked macadam.

We want you to try the back seat—and see how free of toss and throw it is, how soft, low-pressure tires on wide Safety-Ride rims cut down the sway and swerve on sudden curves.

Feel, please, the steadiness of this car under you as Buick's stout torque-tube takes rear wheel wiggle-waggle out of your going.

Note the quick, firm snub of Buick shock absorbers, the absence of engine vibration, the sensation of soaring over roads on which your wheels never lose their sure-footed grip, the special liquid smoothness of Dynaflo Drive.*

Particularly if you've been driving a car that seems patterned to move ahead by leaps and bounds, we want you to experience a Buick ride for comparison's sake.
